OR BONA FIDE, NOR IS IT A PROMISE OR GUARANTEE THAT YOU WILL BE PAID FOR THE CHARGE OR THAT IT WILL NOT BE SUBJECT TO A CHARGEBACK. FOR THAT REASON, AN AUTHORIZATION WILL NOT WAIVE ANY PROVISION OF THIS AGREEMENT OR VALIDATE A FRAUDULENT TRANSACTION OR A TRANSACTION INVOLVING THE USE OF AN EXPIRED CARD. You agree to comply with all Fair and Accurate Credit Transactions Act ("FACTA") requirements, and You shall be fully and solely liable for any claims, causes of action, liabilities, damage or injury arising out of or relating to any inaction or action You take that constitutes or causes, directly or indirectly, any breach or violation of FACTA.

B. Signatures. If required by the Rules, Laws, or Operating Regulations, Sales Drafts must be signed by the Cardholder.

C. Delivery and Retention of Sales Drafts. You will deliver a complete and legible copy of the Sales Draft or Credit Receipt or receipt, to the extent required by the Law or Operating Regulations, to the Cardholder at the time of the transaction. You will retain the "merchant copy" of the Sales Draft or credit memorandum in a secure and limited access area for the periods set forth in the Operating Regulations for the applicable Card Network.

D. Electronic Transmission. If You utilize electronic authorization and/or data capture services, You will enter the date related to a sales or credit transaction into a computer, electronic point of sale terminal or magnetic stripe/EMV chip reading terminal no later than the close of business on the date the transaction is completed and You will Batch Out your system or terminal every day. "Batch Out" is the process in which all transactions are totaled and settled on each system or terminal and transmitted to Processor or its designated agent. In all cases You must present the record within three (3) business days of the transaction (two (2) business days for Electronic Cards). You will be charged and agree to pay a batch fee for Batch

Outs and for batch inquiries. If You provide your own electronic terminal or similar device, or You lease a terminal from a third party, such terminals must meet Processor's requirements for processing transactions. Information regarding a sales or credit transaction transmitted with a computer or magnetic stripe/EMV chip reading terminal will be transmitted by You to Processor, Bank or its agent in the form Processor specifies or as required under the Laws or Operating Regulations. If Bank or Processor requests a copy of a Sales Draft, credit voucher, or other transaction evidence, You will provide it within twenty-four (24) hours following the request. You acknowledge and agree that your obligations to Processor and Bank for all amounts owed under this Agreement arise out of the same transaction as Bank's obligation to deposit funds to the Merchant Account. Notwithstanding the previous sentence, under no circumstances will Bank or Processor be in any way responsible or liable for processing credits or adjustments related to original sales transactions not processed by Bank or Processor. All Sales Drafts and deposits are subject to audit and final checking by Bank and Processor and may be adjusted for inaccuracies. You acknowledge and agree that all credits provided to You are provisional and subject to Chargebacks and other adjustments in accordance with the Operating Regulations, Rules and this Agreement. Bank and Processor may elect to grant conditional credit for individual or groups of any Sales Drafts. Final credit for those conditional Sales Drafts will be granted within Bank or Processor's sole and absolute discretion.

C. Chargebacks. You are solely and fully liable to Processor and Bank for all transactions returned to Processor and Bank for whatever reason, including, without limitation, Chargebacks. YOU ARE SOLELY AND FULLY LIABLE FOR ANY CLAIMS, CAUSES OF ACTION, LIABILITIES, DAMAGES, OR HARM CAUSED BY ANY CHARGEBACKS. You will pay Processor and Bank on demand the amount, value and costs arising out of or relating to all Chargebacks, including, without limitation, any sale for which the

Cardholder disputes the validity of the sale. You authorize Processor and Bank to offset, setoff and/or deduct from any funds owed to You the full amount of all Chargebacks. You further authorize Processor and Bank to offset, setoff and/or deduct from incoming transactions and to debit the Merchant Account, the Reserve Account (as defined in Section 10 below), or any other account held at Bank or at another financial institution the amount of all Chargebacks and all fees, fines and penalties arising out of or relating to any Chargebacks. You will fully cooperate with Processor and Bank in complying with the Rules, Operating Regulations and Laws regarding Chargebacks. Guarantors are personally liable for the full amount of all Chargebacks and all fees, fines and penalties arising out of or relating to any Chargebacks. You are obligated to monitor any and all Chargeback related notices and reports provided by Processor. You acknowledge and understand that your failure to respond to a Chargeback within the applicable deadline may result in a forfeiture of any right You may have had to contest the Chargeback. You are subject to Chargebacks on sales for at least 180 days following the sale transaction.

D. Excessive Activity. Excessive Activity by You shall constitute a breach of this Agreement and cause for immediate termination of this Agreement with cause and without prior notice or an opportunity to cure. "Excessive Activity" means, during any monthly period and for any one of your terminal identification numbers or merchant identification numbers in the aggregate, Chargebacks and/or retrieval requests in excess of one percent (1%) of your average monthly Card transactions or returns in excess of three percent (3%) of the average monthly dollar amount of Sales Drafts. You authorize, upon the occurrence of Excessive Activity, Processor and Bank to take additional actions, as either of them may deem warranted in their sole and absolute discretion, to address or remedy Chargebacks, to prevent future Chargebacks, and/or to minimize the harm arising out of or relating to the Chargebacks, including, without limitation, suspension of processing privileges, creation or maintenance of a Reserve Account in accordance with this Agreement, or increase of funds or percentage of funds required in a Reserve Account.

E. Credits.

i. *Credit Memoranda.* You will issue a Credit Receipt instead of making a cash advance or providing a check, disbursement or refund on any Card transaction. Processor and/or Bank will debit the Merchant Account for the total face amount of each credit memorandum submitted to Processor. You will not submit to Processor or Bank a credit relating to any Sales Draft not originally submitted to Processor and Bank, nor will You submit a credit that exceeds the amount of the original Sales Draft. You cannot submit or process a credit transaction that does not correspond to a previous transaction on the original Sales Draft. Full refunds must be made for the exact dollar amount of the original transaction, including tax, handling charges, etc. You are solely responsible for paying all refunds submitted to Processor on your Merchant Account.

Processor assumes no responsibility, duty or obligation for verifying any credits or refunds. Do not process a credit transaction after a Chargeback is received. Credits issued after a Chargeback has been received may not be recoverable and You are financially responsible for both the credit and the Chargeback in that situation. YOU ARE SOLELY RESPONSIBLE FOR SECURING YOUR TERMINALS AND TO INSTITUTE APPROPRIATE CONTROLS TO PREVENT EMPLOYEES AND OTHERS FROM SUBMITTING CREDITS THAT DO NOT REFLECT BONA FIDE RETURNS OR REIMBURSEMENTS FOR TRANSACTIONS. You will, within the time period specified by the Law or Operating Regulations, whichever is shorter, provide Processor with a credit memorandum or credit statement for every return of goods or forgiveness of debt for services that was the subject of a Card transaction.

ii. *Revocation of Credit.* Processor or Bank may refuse to accept any Sales Draft or revoke the prior acceptance of a Sales Draft at any time, including without limitation in the following circumstances: (i) the transaction giving rise to the Sales Draft was not made in compliance with all terms and conditions of this Agreement, the Rules, Laws, and/or Operating Regulations; (ii) Bank or Processor receives notification that the Cardholder disputes his or her liability to Merchant for any reason, including, without limitation, those Chargeback rights enumerated in the Operating Regulations; or (iii) the transaction giving rise to the Sales Draft was not directly between You and the Cardholder. You acknowledge and agree that You are not entitled to retain, and will pay Bank and Processor, as appropriate, any amount previously credited to You for a Sales Draft not accepted by Processor or, where such Sales Draft is provisionally accepted, but is subsequently revoked.

F. Reprocessing. Notwithstanding any authorization or request for the Cardholder or customer, You will not re-enter or reprocess any Card transaction that has been the subject of a Chargeback. In the event that You re-enter or reprocess any Card transaction that was the subject of a Chargeback, You are solely responsible for all claims, causes of action, liabilities, and damages arising out of or relating to that transaction. Further, such action constitutes a breach of this Agreement and may, in the sole discretion of Processor and/or Bank, result in the immediate termination of this Agreement for cause.

G. Fraud, Debt Collection, and Factoring. You will not present for processing or credit, directly or indirectly, any transaction not originated as a Card transaction directly between You and a Cardholder or any transaction You know or reasonably should have known to be fraudulent or not authorized by the Cardholder. You will not submit an authorization request or Sales Draft for a Card transaction by another business. If You submit a Sales Draft on behalf of another person or entity, You will suffer all losses associated with the dispute of any such Sales Draft or related transaction and submitting such a transaction shall entitle Processor and/or Bank, in their sole discretion, to terminate this Agreement for cause. Perpetrators of fraudulent transactions will be referred to law enforcement

officials. You will not deposit any Sales Draft representing the refinancing of an existing obligation of a Cardholder. You will not deposit any Sales Draft relating to the collection of debt that has been deemed uncollectable. You agree that Processor may, within its sole discretion, suspend the disbursement of Sales Draft funds for any reasonable period of time required to investigate suspicious or unusual deposit activity. Processor and Bank will have no liability for any claims, causes of action, liabilities, or losses arising out of or relating to any suspension of funds disbursement pursuant to this Section or any other provision of this Agreement.

The Optional Services may require that You agree to additional terms and conditions or that You enter into an agreement directly with the vendor providing such services. Optional Services shall include all services provided by third parties. If You elect to use any Optional Services, the terms and conditions related to each applicable Optional Service that You have selected will become part of this Agreement, if already included herein, or will be attached as exhibits to this Agreement. Without limiting any of the foregoing provisions, if You elect to use any form of wireless service in connection with Card transactions then You agree that Processor and/or Bank are not responsible, and will not be liable, for (i) verifying wireless service coverage for You, (ii) any loss of coverage in any particular area, (iii) for termination of your wireless coverage, (iv) the continued use of your equipment as a wireless terminal if You wireless coverage is terminated or suffers a loss of coverage, or (v) any other losses, damages or injuries arising out of or relating to the use, loss or termination of wireless service. K. Your Agents. In the event You use a third party to perform any of your obligations under this Agreement or You use a third party to perform services that arise out of, interact with, or relate to any of the services performed by Processor, Bank or their service providers under this Agreement, then You agree that You will be solely responsible for the actions of such third party as though You had performed those acts yourself. Furthermore, You agree to cause each such third party to comply with all requirements of this Agreement, the Rules, Operating Regulations, Data Security Regulations, and Laws, including, without limitation, all requirements related to due diligence, registration and/or certification and to be responsible for all costs and expenses related thereto. You agree to be solely and fully responsible for all claims, causes of action, liabilities, losses or damages suffered by Processor, Bank or any third party arising out of or relating to the actions of any such third party and agree to indemnify Processor and Bank, pursuant to the "Indemnification" provision below, for the acts of such third party.

L. Disclosure of Merchant Location. You shall prominently and clearly disclose to the Cardholder that You are the merchant at all points of the interaction and provide the Cardholder your location (physical address) so that the Cardholder can easily distinguish You from any other party, such as a supplier of products or services. The Merchant name and location, as disclosed to the Cardholder, must be the same as provided in authorization and clearing Transaction messages.

8. Other Types of Transactions.

A. Mail Order. You may not solicit or accept Card Not Present transactions, including email, internet, or telephone orders (also known as "MOTO") without prior written consent from Processor. Card Not Present and MOTO orders completed without prior written consent of Processor constitute a breach of this Agreement and may result, in the sole discretion of Processor and/or Bank, in the immediate termination for cause of this Agreement, in addition to any other remedies available under the Operating Regulations, Laws and Rules. You may be required to use an address verification service ("AVS") on Card Not Present and MOTO transactions. AVS is not a guarantee of payment and the use of AVS will not waive any provision of this Agreement, validate a fraudulent transaction, or otherwise relieve You in any way from any claim, cause of action or injury arising out of or relating to a Card Not Present or MOTO transaction. You will obtain the expiration date and CVV2 number of the Card for a Card Not Present or MOTO transaction and submit the expiration date when obtaining authorization of the Card transaction. No Sales Draft shall be submitted for processing prior to the shipping of the product or the provision of the services purchased by the Cardholder without prior approval. You acknowledge and agree that MOTO and other Card Not Present transactions have a substantially higher risk of Chargeback. You agree to be solely responsible for any claims, causes of action, liabilities or damages arising out of

or relating to a MOTO transaction or other Card Not Present transaction.

B. Recurring Transactions. For recurring transactions, You must obtain a written approval from the Cardholder, which specifies at least the following information: Cardholder's name, address, account number, expiration date, the transaction amounts, the timing or frequency of the recurring charge, and the duration of time for which the Cardholder's authorization is granted. For Discover, it must also include the total amount of recurring charges to be billed to the Cardholder's account (including taxes and tips) and your Merchant account number. You will not complete any recurring transaction after receiving: (i) a cancellation notice from the Cardholder; (ii) notice from Processor that authority to accept recurring transactions has been revoked; or (iii) a response that the Card is not to be honored.

C. Multiple Sales Drafts. You will include a description and total amount of goods and services purchased in a single sales transaction on a single Sales Draft or transaction record unless: (i) partial payment is entered on the Sales Draft or transaction record and the balance of the transaction amount is paid in cash or by check at the time of transaction; (ii) a Sales Draft represents an advance deposit in a Card transaction completed in accordance with this Agreement and the Operating Regulations or (iii) as otherwise expressly permitted by the Agreement.

D. Partial Completion.

i. *Prior Consent.* You will not accept for payment by Card any amount representing a deposit or partial payment for goods or services to be delivered in the future without the prior written consent of Processor. The acceptance of a Card for payment or partial payment of goods or services to be delivered in the future without prior written consent will be deemed to be a breach of this Agreement and cause for mediate termination of this Agreement for cause by Processor and/or Bank, in addition to any other remedies available under this Agreement, the Rules, the Laws or Operating Regulations.

ii. *Acceptance.* If You have obtained prior written consent from Processor, then You will complete such Card transactions in accordance with the terms set forth in this Agreement, the Operating Regulations, and Laws. Cardholders must execute one Sales Draft upon making a deposit with a Card and a second Sales Draft upon paying the balance. You will note on the Sales Draft, among other things, the words "deposit" or "balance" as appropriate. You will not deposit the Sales Draft labeled "balance" until the goods have been delivered to Cardholder or You have fully performed the services.

E. Special Terms. If You limit refunds or exchanges, or impose other specific conditions for Card sales, You must provide proper disclosure to the Cardholder at the time of the transaction in accordance with applicable Laws and the Rules and Operating Regulations. If applicable, the words "No Exchange. No Refund" or other applicable words must be clearly printed (in ¼" letters) on the Sales Draft near or

above the Cardholder's signature. MAKING THE DISCLOSURES REQUIRED BY THIS SECTION OR ANY OTHER SECTION OF THIS AGREEMENT DOES NOT ELIMINATE YOUR LIABILITY FOR CHARGEBACKS OR FOR ANY VIOLATIONS OF THE LAWS (INCLUDING CONSUMER PROTECTION LAWS), RULES OR OPERATING REGULATIONS.

F. Lodging. If You are a lodging merchant, please review the Operating Regulations carefully to ensure that You are complying with all rules applicable to such merchants. For example, You must provide the Cardholder with written confirmation of a guaranteed reservation, with such confirmation containing at least the following information: Cardholder's name, Card number (truncated per applicable Laws and Operating Regulations), reservation confirmation number, anticipated arrival date and length of stay, and the cancellation policy. You are solely responsible for ensuring that You are in full compliance with all Laws, Rules and Operating Regulations applicable to lodging merchants.

G. Future Delivery. You will not present any Sales Draft or other memorandum to Processor for processing (whether by electronic means or otherwise) that relates to the sale of goods or services for future delivery (including, without limitation, deposits) without prior written authorization from Processor. If Processor has given such written consent, You represent and warrant to Processor that You will not rely on any proceeds or credit resulting from such transactions to purchase or furnish goods and services, other than the goods and services being acquired by the Cardholder pursuant to the transaction. You will maintain sufficient working capital to provide for the delivery of goods or services at the agreed upon future date, independent of any credit or proceeds resulting from Sales Drafts or other memoranda taken in connection with future delivery transactions.

H. Deposits of Principals. Your owners, partners, officers, and employees, and any guarantor of this Agreement, are prohibited from submitting Sales Drafts transacted on their own personal Cards, other than transactions arising from bona fide purchases of goods or services in the ordinary course of your business.

I. Internet and ACH Transactions.

i. *Internet.* You must receive written consent from Processor to process transactions using the internet ("Internet Transactions"). If You obtain such written consent, You shall not process Internet Transactions unless the transactions have been encrypted by a third-party vendor acceptable to Processor, in Processor's sole and absolute discretion. If You submit Internet Transactions without Processor's written consent or through a third-party vendor not acceptable to Processor, then Processor may immediately terminate this Agreement for cause. If You have indicated on the Application that You will be submitting Internet Transactions, You acknowledge that You have received and fully reviewed a copy of the CISP, PCI-DSS, SDP, DISC and other manuals related to the Data Security Regulations. You agree that You are, and will remain, fully compliant with the Data Security Regulations,

including but not limited to undertaking the required annual or quarterly self-assessments and Web infrastructure scans, as appropriate. All Internet Transactions must comply with all applicable Data Security Standards. You agree that Internet Transactions are high risk and subject to a higher incidence of Chargebacks. You are solely and fully liable for all Chargebacks and claims, causes of action, liabilities, and losses arising out of or relation to Internet Transactions, whether or not: (i) Internet Transactions have been encrypted; or (ii) You have obtained written consent from Processor to engage in such transactions. Encryption is not a guarantee of payment and will not waive any provision of this Agreement, otherwise validate a fraudulent transaction, or otherwise reduce, impact or eliminate your liability under this Agreement. You must offer Cardholders a secure transaction method, that is compliant with PCI and any other applicable Data Security Standard. All communication costs related to Internet Transactions will be your sole responsibility. You agree that Processor will not manage the Internet telecommunications link, and that it is your sole responsibility to manage that link. Other than a terminal help desk, You also understand and agree that Processor does not have a seven (7) day per week, twenty-four (24) hour operation. All Internet Transactions will be settled by Bank into a depository institution of the United States in U.S. currency. Use of software or hardware that has connectivity to the Internet or any external network that interacts in any way with the services provided by Processor or Bank under this Agreement poses an increased risk and Merchant assumes all liability and shall be solely liable for all claims, causes of action, liabilities and losses resulting from the use of such software or hardware.

If You store Cardholder account numbers, expiration dates, and other personal Cardholder data in a database, You must comply with the Operating Regulations, Laws and Rules, including, without limitation, all PCI-DSS requirements relating to securing such data. You agree to defend, hold harmless, indemnify and reimburse Processor and Bank immediately for any claims, causes of action, liabilities, losses, assessments and/or fines arising out of or relating to any breach of this Section.

J. Amex. Unless You have selected the Processor Amex OptBlue Program in the Application, upon your request, Processor will provide access to authorization and/or data capture services for Amex directly from Amex ("Amex Direct Program"). If You request the Amex Direct Program You must enter into a separate merchant agreement with Amex. Neither Processor nor Bank is in any way liable or responsible for funding transactions under the Amex Direct Program. Further, Processor or Bank may notify You that Amex or another card ("Additional Card") may be accepted by You. If You do not decline this offer in writing, Processor or Bank will forward certain information, including, without limitation, your Merchant Account number, to the Additional Card issuer. The terms of this Agreement shall apply to Additional Card transactions. Processor or Bank will notify You in writing of the fees applicable to Additional Card transactions. By (i) accepting an Additional Card; (ii) transmitting a transaction for an Additional Card; or (iii) causing an Additional Card transaction to be processed, You agree that the terms of this Agreement shall apply to all Additional Card transactions.

Credit Card surcharges charged to the Cardholder are subject to a daily discount and are deducted daily from Merchant Settlement. Monthly fees (including without limitation the monthly subscription fee, per transaction fee, and difference between the Rates & Fees set forth in this Agreement and the maximum surcharge allowed by the Card Networks) shall be deducted monthly from Merchant Settlement.

L. Consumer Choice. If You utilize Consumer Choice, You shall post, both on the shelf and in any marketing materials, either (i) the card price or (ii) both the card price and cash price. You shall also post signage provided by Processor in accordance with the Operating Regulations. If you accept tips, You will be charged processing fees related to such tips and You agree to pay such fees to Processor. Cardholder Card Charges are subject to a daily discount and are deducted daily from Merchant Settlement. Monthly fees shall be deducted monthly from Merchant Settlement.

M. Third-Party Software. You shall not use any third-party software to adjust the price of Your products or services if such software violates any Operating Regulation, including without limitation those Operating Regulations relating to surcharging or cash discounting.

N. Non-Bankcard Services. From time to time, Processor may offer You certain additional products and services which may or may not be related to the processing of Card transactions. If You wish to decline the offer, You will inform Processor in writing of your desire to decline the product or service within the time period Processor indicated in the offer. Your failure to decline the offer in writing within the prescribed time period shall constitute an acceptance of the offer, and You will be liable to Processor for all products or services provided in connection with, arising out of, or relating to the offer.

9. Merchant Account.

A. Establishment and Authority. You will establish and maintain with Bank and processor (or with an ACH-receiving depository institution acceptable to Bank) one or more commercial checking account(s) to facilitate payment for Card transactions (collectively, the “Merchant Account”). You will maintain sufficient funds in the Merchant Account to accommodate all transactions contemplated by this Agreement, including, without limitation, fees, fines, Chargebacks and any other amounts due from You to Processor or Bank pursuant to this Agreement. You irrevocably authorize Processor to (i) access the Merchant Account; (ii) deduct, offset, setoff, electronically debit or otherwise remove funds from the Merchant Account for Chargebacks or any fees, fines or penalties relating to Chargebacks in accordance with this Agreement or the Operating Regulations; (iii) deduct, offset, setoff, electronically debit or otherwise remove funds from the Merchant Account to pay, reimburse, or cover any funds owed to Processor or Bank, including, without limitation, funds owed for any fees, charges, penalties, Chargebacks, costs, or expenses, duty to defend, or indemnification obligations; and (iv) deduct, offset, setoff, electronically debit or otherwise remove funds from the Merchant Account to pay, reimburse, or cover any funds owed to Processor or Bank for any duty to defend or indemnification obligations owed under this Agreement. You also authorize vendors or agents of Processor or Bank to deduct, offset, setoff, debit or otherwise remove funds from the Merchant Account as appropriate or permitted under this Agreement. The authority provided under this Section will remain in effect for 2 years after termination of this Agreement, whether or not You have notified Processor of a change to the Merchant Account. You must obtain prior written consent from Processor to change a Merchant Account. If You change the Merchant Account without Processor’s prior written consent, Processor may immediately terminate the Agreement for cause and may take any other action it deems reasonably necessary, in its sole discretion, to protect itself and Bank.

B. Deposits. Processor or Bank has the right to delay, suspend or withhold, within their sole and absolute discretion, crediting the Merchants Account with funds evidenced by submitted Sales Drafts. You authorize Processor to initiate reversal or adjustment entries and initiate, terminate or suspend such entries as may be reasonably necessary to grant You conditional credit for any

entry. Processor or Bank will make deposits to the Merchant Account pursuant to this Agreement and the ACH Authorization. By executing this Agreement, You authorize and appoint Processor and Bank to act as your agent to collect Card transaction amounts from the Card issuing financial institution. As the collecting agent, Processor or Bank, in its sole discretion, may grant You provisional credit for transaction amounts, in the process of collection, subject to receipt of final payment by Processor or Bank, and subject to all Chargebacks, returns, fees, and fines.

C. ACH Authorization. By executing this Agreement, You authorize Processor and Bank to initiate debit/credit entries to the Merchant Account, the Reserve Account, or any other account maintained by You at any institution that is a receiving member of ACH, all in accordance with this Agreement. This authorization will remain in effect after termination of this Agreement and until all of your obligations to Processor and Bank have been paid in full. In the event You change the Merchant Account, within 10 business days of the change You will notify Processor in writing of the change and provide Processor with your new Merchant Account information, and this authorization will apply to the new Merchant Account. In the event that You change the Merchant Account without notification to Processor as provided for in the preceding sentence or fail to maintain an active Merchant Account, You shall pay Processor a fee of \$25 per month until such time as proper notice is given and/or an active Merchant Account is established.

10. Security Interests, Reserve Account, Recoupment, and Set-Off.

A. Security Interests. This Agreement constitutes a security agreement under the Uniform Commercial Code. By executing this Agreement, You grant to Bank and Processor a security interest in and first priority lien upon: (i) all funds at any time in the Merchant Account, regardless of the source of such funds; (ii) all funds at any time in the Reserve Account (as defined below), regardless of the source of such funds; (iii) present and future Sales Drafts; and (iv) any amount which may be due to You under, arising out of, or relating to this Agreement, including, without limitation, all rights to receive any payments or credits under this Agreement (collectively, the “Secured Assets”). You agree to provide other security to Processor and Bank upon request. You authorize Processor and/or Bank to file a financing statement in all applicable jurisdictions necessary to perfect the security interest in the Secured Assets. You represent and warrant that no other person or entity has a security interest in the Secured Assets. These security interest and liens will secure all of your obligation under this Agreement and any other agreements now existing or later entered into between You, on the one hand, and Processor, or Bank, on the other hand, including, without limitation, your obligation to pay any amount due to Processor or Bank. This security interest may be invoked, levied upon or exercised by Processor or Bank without notice or demand of any kind by, among other things, Processor or Bank making an immediate withdrawal or

freezing of the secured assets or by the withdrawal, debit or removal of funds. Further, with respect to the Secured Assets, Processor and Bank will have all rights afforded under the Uniform Commercial Code, any other applicable laws and equity. You shall obtain from Processor and Bank written consent prior to granting a security interest of any kind in the Secured Assets to a third party. You agree that this is a contract of recoupment, and neither Processor nor Bank are required to file a motion for relief, or otherwise seek relief, from a bankruptcy action automatic stay to realize, obtain, levy, debit or other take ownership or possession of any of the Secured Assets. Nevertheless, You covenant, warrant and agree not to contest or object to any motion for relief from the automatic stay filed by Processor or Bank

B. Reserve Account.

i. *Establishment.* If requested by Processor or Bank, You will deposit into a non-interest bearing deposit account designated by Processor or Bank ("Reserve Account") funds sufficient to satisfy your current and reasonably estimated future obligations to Processor or Bank. Processor or Bank may establish a Reserve Account by depositing proceeds of your sales transactions into a Reserve Account if it determines in good faith that a reserve is warranted to ensure the interests of Processor or Bank are adequately secured and/or protected, including, without limitation, a determination that (a) transactions are outside the risk parameters indicated by You in this Agreement; (b) there has been a change in your business or transactions that raises concerns regarding your ability to pay Processor or Bank all amounts due or potentially due in the future; (c) You breached this Agreement, the Laws, Rules or Operating Regulations; or (d) there has been Excessive Activity. By executing this Agreement, You also authorize Processor and Bank to (1) debit the Merchant Account, (2) establish the Reserve Account or (3) deposit funds into the Reserve Account. You also authorize Processor and Bank to deposit funds into the Reserve Account that Processor or Bank would otherwise be obligated to pay You if Processor or Bank determines such action is reasonably necessary to protect one or both of their interests, with such authorization including, without limitation, the right to debit funds from the Merchant Account and deposit them into the Reserve Account. You shall not be entitled to interest on any funds held in the Reserve Account. Rather, Processor shall be entitled to all interest generated by or paid to the Reserve Account.

ii. *Authorizations.* Processor or Bank may in its sole discretion, and without notice to You, apply, debit, deduct, offset, or otherwise remove any amounts in the Reserve Account to reduce or satisfy any amounts You owe under this Agreement or under any other agreement between You and Processor or Bank.

iii. *Funds.* Unless You obtain Processor's written consent, You shall not debit, remove, transfer, spend, or use Funds in the Reserve Account until at least two-hundred seventy (270) days following termination of this Agreement. This 270-day period shall have no bearing on

your liabilities, duties or obligations to Processor in the event of a breach of this Agreement; that is, it is simply a time period during which the funds in the Reserve Account will be held. Processor or Bank will have sole control of and over the Reserve Account and the funds contained therein. Processor shall be entitled to collect from Merchant, as either a debit to your Merchant Account or charge against funds held in your Reserve Account, fees necessary to cover all fees, costs, and expenses arising out of or relating to the establishment, maintenance and administration of your Reserve Account.

C. Recoupment and Set-Off. To the extent not already permitted by law, You authorize Processor and Bank to have the right of recoupment and set-off. This means that Processor and Bank may recoup and set off any amounts that are due and owing from You to Processor or Bank from: (i) any amounts Processor or Bank would otherwise be obligated to deposit into the Merchant Account, and (ii) any other amounts Processor or Bank may owe You under this Agreement or any other agreement. You acknowledge that in the event of a bankruptcy proceeding, in order for You to provide adequate protection under Bankruptcy Code § 362 to Processor, You must create and maintain the Reserve Account as required by Processor, and Processor and Bank have the right to offset against the Reserve Account for any and all obligations which You may owe to Processor and Bank, without regard to whether the obligations relate to Sales Drafts initiated or created before or after the filing of the bankruptcy petition.

D. Remedies Cumulative. The rights and remedies conferred upon Processor and Bank in this Agreement are not intended to be, and shall not be, exclusive of each other. Rather, each and every right of Processor or Bank under this Agreement, at law or equity, will be cumulative and concurrent and in addition to every other right.

11. Rates & Fees and Other Services.

A. Rate & Fees. You will pay Processor all fees, costs and charges in accordance with the rates and fees set forth and provided for in this Agreement, including, without limitation, Section 6 of the Application, all schedules, addenda, and amendments and exhibits thereto ("Rates & Fees"). Such Rates & Fees will be calculated and electronically debited from the Merchant Account once each business day or each month, as solely determined by Processor, for the previous business day's or previous month's activity, or will be netted out from the funds due You under this Agreement. Processor shall have the sole and absolute discretion to adjust the Rates & Fees from time to time and You agree to pay such adjusted Rates & Fees to and through termination of this Agreement. You agree that all Rates & Fees are considered accurate and final unless You dispute them in accordance with the provisions of this Agreement. Furthermore, Merchant agrees that every Credit Receipt issued will be subject to a Transaction fee and Processor Assessment fee, as part of Rates & Fees, and that in no circumstance are You entitled to receive or will receive a refund of any Rate & Fees associated with the

original transaction. In the event that You select InterChange Plus Pricing, You agree to pay, and will pay, to Processor, in return for the services provided hereunder, (i) the Processor Assessment, plus (ii) the Transaction Fee, plus (iii) InterChange, plus (iv) the Card Networks Fees, plus (v) all other Rates & Fees that are not contained within subparagraphs (i) – (iv) above. In certain instances, Processor may bundle or combine some or all of the Card Network Fees as a single line item on the statement, which may bundle or combine some or all of the Card Network Fees as a single line item on the statement, which may be designated on your monthly statement; including without limitation “Card Access Fees.” In the event You select tiered pricing (“Tiered Pricing”) or flat rate pricing (“Flat Rate”) and were boarded on or after November 1, 2023, You agree to pay to Processor, in return for the services provided hereunder, (a) the Processor Assessment, plus (b) the per Transaction Fee, plus (c) the following four (4) specific Card Networks Fees (i) those Card Network Fees related to acceptance by the Merchant of a **foreign card** including but not limited to A.) Visa’s International Service Assessment, International Acquirer Fee, and Foreign Card Assessment, B.) Mastercard’s Global Acquirer Program Support, Cross Border, and Cross Border Assessment, and C.) Discover’s International Assessment, (ii) the monthly Visa FANF fee, excluding Table 1 FANF that generally applies to most card present merchants, but including **Visa® FANF Table 2** monthly fee which varies on a monthly basis based on transaction volume and applies to Card-not-present, unattended terminals, merchant aggregators, and fast-food restaurants volume, (iii) Visa’s **Transaction Integrity Fee** which applies generally to an eCommerce Merchant that fails to qualify for Visa’s Custom Payment Service (CPS); and (iv) Payroc’s Visa & MC Auth Misuse fee (collectively the “Additional Pass-Through Fees”), plus (d) all other Rates & Fees that are not contained within subparagraphs (a) – (c) above. The “Tiers” in Tiered Pricing shall be determined by Processor, in its sole discretion. The Processor Assessment together with the Transaction Fee shall be referred to as the “Processor Fees.” In the event that the Processor Fees due from You to Processor for any given month are less than the monthly minimum set forth in the Rates & Fees, then You will pay to Processor, in addition to the other amounts due from You under this Agreement for that month, the positive difference between the monthly minimum and the Processor Fees actually due for that month. In the event You have elected the RewardPay, Consumer Choice, or RewardPay Choice program and were boarded on or after November 1, 2023, You agree to pay Processor or cause to be paid to Processor, in addition to the Rates & Fees as delineated in the MPA, the Additional Pass-Through Fees. If You have any questions, concerns or uncertainty about any Rate & Fees, You are required to raise those questions, concerns or uncertainties with Processor in accordance with the requirements of Section 7.I. above. If You fail to do so, You fully and finally waive and release any claims, causes of action or damages incurred, arising out of, or relating to any Rates & Fees.

B. Change in Your Business. The Rates & Fees are based upon, among other things, assumptions regarding the anticipated annual volume and average transaction size of your business, as well as the anticipated number of Chargebacks. In the event the actual volume, transaction size, number of Chargebacks differs from Processor’s records, or any information provided by You is inaccurate, Processor shall have the right, in its sole and absolute discretion, to adjust the Rates & Fees.

C. Other Amounts Owed. You will immediately pay Processor or Bank (i) any losses incurred by Processor or Bank attributable to, arising out of, or relating to this Agreement, including, without limitation, to Chargebacks, fines and penalties imposed by any Card Network, all non-sufficient fund fees, and/or ACH debits that overdraw the Merchant Account, the Reserve Account, or any other account You have at Bank or at any other financial institution or (ii) for any amount You owe Processor or Bank under this Agreement or under any other contract, note, guaranty, instrument or dealing of any kind now existing or later entered into between You, on the one hand, and Processor or Bank, on the other hand. This Section applies whether your obligation is direct, indirect, primary, secondary, fixed, contingent, joint, or several. In the event such ACH does not fully reimburse Processor or Bank for the amount owed, the outstanding balance shall be immediately due and payable, and You will immediately pay Processor or Bank such amount.

D. Rate or Fee Amendments. Processor or Bank, at its sole discretion, may amend, add to or modify, the Rates & Fees from time to time and upon 30 days’ notice, which notice shall be delivered via mail to the billing address on file for You with Processor or via email transmission. Such notice may be sent separately or may be included as part of or sent with your monthly statement which shall be sent either by mail or made available in your portal. If You submit a transaction to Processor after the effective date of the amendment of the Rates & Fees, You will be deemed to have accepted the amended Rates & Fees, and to consent to the amended Rates & Fees. No notice will be provided for changes to Interchange or Card Network Fees that are passed through to you by Processor without markup.

E. Taxes. You are obligated to pay all taxes and other charges imposed by any governmental authority on the services provided under this Agreement.

F. Hardware Advantage Plan (“HAP”). HAP is an equipment replacement plan for your card processing device or devices (“*Equipment*”) purchased or leased through Processor at the time You sign up for card processing servicing through Processor. Unless You elect to opt out in your Merchant Processing Agreement (“*MPA*”) at the time of purchase or lease of your Equipment, You are enrolled automatically in HAP. Only businesses (i.e., Merchants) may participate in HAP; it is not available for personal or consumer use. HAP may be available for existing Merchants of Processor on a case-by-case basis, in Processor’s sole discretion. Depending on the type and number of Equipment purchased or leased, the monthly fee

for HAP varies; see the “Hardware Advantage Plan” section of your MPA to calculate your specific HAP fee.

HAP includes the following benefits and conditions:

Beginning on the date of approval by Processor of your MPA, You are entitled under HAP to one (1) replacement every twelve (12) months per covered device, measured from the anniversary date of purchase or lease date, if that Equipment is determined by Processor, in its sole discretion, to be defective or breaks. You are entitled under HAP to one (1) replacement device for defective or broken Equipment every twelve (12) month period thereafter, and so on for as long as you participate in HAP. Damage outside of ordinary wear and tear that is not covered by HAP includes, by way of example but not limited to, cracked screens, broken print covers, damaged power packs or ports, and cut cords. Stolen or lost Equipment is also not covered by HAP. Subject to Processor’s approval, in its sole discretion, additional requests to replace a defective/broken device (in addition to the one (1) free replacement every twelve (12) months) will be subject to a swap fee of up to \$500 per device, depending on the type of device. Replaced Equipment shall be the same or substantially similar to your original Equipment.

When your Equipment, including any replacement, is determined by the manufacturer (in its sole discretion) to have reached its end of life, You may upgrade with Processor your Equipment at a discounted rate of up to 50%, exact discount amount depends on the type of Equipment. HAP does not generally cover Equipment beyond its end of life, although there may be some exceptions allowed by Processor, in its sole discretion, depending on the type of device, the reason for end of life, and availability of replacement Equipment.

To request a replacement or upgrade, You must contact Processor via email addressed to merchantadvocacy@payroc.com or call 888-477-4510. You are required, upon receipt of replacement Equipment, to return your defective/broken Equipment to Processor; a self-addressed, prepaid return shipping label will be sent to You with the replacement Equipment. The package with the defective/broken Equipment must be post marked within thirty (30) days of your receipt of the replacement, or Processor will charge You the full and then current price for the replacement Equipment. Processor assumes all risk of loss for shipping, as long as You use Processor’s return shipping label.

Your HAP fee will appear on your regular monthly statement from Processor and, like Processor’s other fees, your HAP fee will also be debited against your Merchant Account beginning on the month following approval of your MPA and will be subject to your Merchant’s ACH authorization contained in Section 9.B. therein.

You may cancel your participation in HAP at any time and for any reason by giving notice to Processor via email addressed to merchantadvocacy@payroc.com or call 888-477-4510.

G. Merchant Advantage Club (optional merchant club fee). In the event You have elected to be enrolled in

Merchant Advantage Club by populating the Merchant Advantage Club monthly fee contained in the Rates & Fees (“Merchant Advantage Club Fee”), You will be enrolled in the Merchant Advantage Club (or such other name as designated by Processor) and merchant club program (“Merchant Program”), and You agree to pay the monthly Merchant Advantage Club Fee. The benefits provided by the Merchant Program are subject to change or cancellation as provided in the terms and conditions of the Merchant Program provided to You in the welcome kit for the Merchant Advantage Club Program. The Advantage Club Program includes the following benefits and conditions:

- To qualify for the Merchant Program, Equipment must be purchased at or above list price;
- You may only opt into the Merchant Program at the time You purchase your Equipment;
- You will receive a box of paper at the time your Equipment is delivered and one additional box of paper every six (6) months during the period that You continue to participate in the Merchant Program;
- You shall be entitled to obtain replacement Equipment if your Equipment is defective, one time during each twelve (12) month period during the four (4) year period following the date on which You purchase the Equipment;
- The replacement Equipment shall be the same or substantially similar to your Equipment that is being replaced;
- In the case of each Replacement, You will be charged a service fee of \$49;
- You will be obligated, upon receipt of the replacement Equipment, to return your Equipment to Processor and the returned Equipment shall then belong to Processor and the replacement Equipment shall then be covered by the Merchant Program;
- Damage outside of normal wear and tear, including, without limitation, cracked screens, broken printer covers, damaged power packs or ports and/or cut cords, will not entitle You to replacement Equipment under the Merchant Program;
- You may cancel at any time by giving written notice to Processor; and
- Theft or loss of the original Equipment will not entitle You to receive replacement Equipment.

You will be billed the Merchant Advantage Club Fee on your regular monthly statement beginning with the first billing cycle following thirty (30) days of processing with Processor, and each month thereafter. If You choose not to participate in the Merchant Advantage Club Program, any equipment failure not covered under your warranty will be repaired or replaced at solely your cost. The Merchant Advantage Club Fee, and any other amounts due from You to Processor related to your participation in the Merchant Advantage Club Program, shall be debited against the Merchant Account beginning on the month following approval of this Agreement and shall be subject to Merchant’s ACH authorization contained in Section 9.B. of this Agreement. You will not be charged the Merchant

Advantage Club Fee for the first month of this service. Thereafter, You will be billed on a monthly basis. To cancel this service, please reference the Credit Card Acceptance Manual You have received or will receive in your Welcome Kit, which is incorporated by reference into this Agreement as if set forth fully herein. In the event of any inconsistency between the Credit Card Acceptance Manual and this Agreement, the terms and conditions of this Agreement shall control. The terms and conditions related to Merchant Advantage Club Program are provided in the welcome kit.

H. Chargeback Fee. You agree that Processor or Bank will assess the Chargeback fee set forth in Section 6 of the Application as the "Chargeback Per Occurrence" fee for each Chargeback. Furthermore, You authorize and consent to Processor or Bank assessing You and requiring You to pay or reimburse Processor or Bank for paying any fines imposed by Card Network plus a fee for processing such fine as may be required by Processor or Bank in its sole discretion.

I. Transaction Fee. Transaction fee is a fee charged on each authorization or decline, regardless of the total stated and shall also mean a fee charged for any other transaction which utilizes a POS Device for transaction or reception of data or information, including, but not limited to, debit card transactions address, verifications, batch closing, authorizations, and any other communication using the POS terminal.

J. Retrieval Fee. You agree that Processor or Bank will assess and is entitled to collect from You the Retrieval Fee set forth in Section 6 of the Application as the "Retrieval Per Occurrence" fee.

K. Annual Renewal. You agree that Processor will charge and is entitled to collect from You a nonrefundable annual renewal fee each year in the month set forth in the Application, or in such other month as designated in the Rates & Fees, in the amount set forth in the Rates & Fees.

L. UCC Fee. In the event Processor receives a notice from a secured creditor of yours requesting that funds due to You under this Agreement be paid to the secured creditor or held pending further instruction from the secured creditor, You agree to pay Processor a fee in the amount of \$599.00 to cover at least some of the time, costs and expenses incurred by Processor in handling such notice. Such fee shall be in addition to any other fees due to Processor under this Agreement and in addition to any amounts that are payable to such secured creditor.

M. Enhanced Interchange Service (EIS). If Merchant is (i) boarded on the TSYS Authorization Platform, or such other Authorization Platform as Processor may designate that this EIS service is available on from time to time, (ii) is enrolled in InterChange Plus Pricing, and (iii) Merchant elects to utilize and enrolls in the Enhanced Interchange Service ("EIS") as part of Rates & Fees, Processor will augment applicable commercial, business or other similar card transactions with the tax amount percentage that is either input from the Merchant in Rates & Fees, or, if no tax is entered by Merchant, Merchant hereby authorizes Processor to input the current tax rate based on the zip

code included in the Application and Processor will obtain the tax lookup table. Processor does not warrant, represent or guarantee that this tax rate input will accurately reflect all applicable Merchant tax rates and will use its best efforts to input the accurate tax rate, and update these tax rates on a "good-faith" basis, from time to time, as reasonably determined by Processor. Merchant hereby agrees to promptly review the documents it receives from Processor and Bank to ensure that the proper tax rate is reflected and, if the tax rate is incorrect, to notify Processor within thirty (30) days of receiving or having access to any document reflecting an erroneous or inaccurate tax rate of such error or inaccuracy. Processor does not represent, warrant, or guarantee that all such augmented transactions will qualify for a better or lower interchange rate as other factors can or may also impact interchange qualification for these transactions, including, without limitation, all other Level II or other qualification requirements as existing, established or may be established by the Card Networks, and as otherwise may be promulgated in the Operating Regulations, for applicable commercial, business or other similar card transactions. In the event EIS is used for any transaction (each such transaction and all such transactions in the aggregate hereafter "EIS Transactions"), Processor will provide the Merchant a credit, labelled on its monthly statement as "Enhanced Interchange Service-Credit" equal to (i) the total savings equal to the "good-faith" calculated difference between the Interchange amount that the EIS Transactions would have qualified at if not for EIS and the Interchange amount that the EIS Transactions qualified for as a result of EIS, times (ii) EIS Credit Percentage to Merchant, as populated in the Rates & Fees.

N. Returned ACH Transactions. In the event that an ACH debit initiated by Processor to your Merchant Account is returned or rejected due to non-sufficient funds ("NSF Return") in the Merchant Account, You will be charged a fee of \$35.00 for each such NSF Return. In the event that an ACH debit initiated by Processor to your Merchant Account is returned or rejected for any other reason other than non-sufficient funds ("Other Return"), You will be charged a fee of \$38.00 for each such Other Return. In the event that an ACH credit initiated by Processor to your Merchant Account is returned for any reason, You will be charged a fee of \$35.00 for each such returned credit.

O. Token Export Fee. In the event that you request that Processor export any tokenized data contained on Processor's systems to a third-party, both you and such third-party shall be required to enter into a written Data Transfer Agreement with Processor, and You shall pay Processor's then current fees for such export.

12. Application, Indemnification, Limitation of Liability.

A. Application. You represent and warrant to Processor and Bank that all information in the Application You submitted to Processor, which is incorporated into this Agreement by reference, is correct and complete. You must notify Processor in writing of any changes of information in the Application, including, without limitation: (i) any

additional location or new business, (ii) the identity of principals and/or owners, (iii) the form of business organization (e.g., sole proprietorship, partnership), (iv) type of goods and services provided and how sales are completed (e.g., by telephone, by mail, in person at your place of business). The notice must be received by Processor or Bank within 10 business days of the change. You will provide updated information to Processor or Bank within a reasonable time upon request. You are solely liable to Processor and Bank for all claims, causes of action, liabilities, losses and expenses incurred by Processor or Bank arising out of or relating to your information provided being incorrect or your failure to report changes. Processor and Bank retain the right to review your processing activity to confirm that You are processing transactions as stated in the Application, and to re-price or terminate its services based on changes to the facts stated in the Application.

B. Indemnification. You agree to defend, indemnify and hold harmless Processor, Bank and Card Networks from and against any and all claims, damages, liabilities, fines, penalties and expenses, including, without limitation, attorneys' fees and litigation/arbitration costs, arising out of or relating to (i) any act or omission by You or your employees, agents, representatives, subcontractors, or vendors including, without limitation, any intentional, negligent, fraudulent or deceptive acts or omissions; (ii) any breach by You of the terms of this Agreement; (iii) any fine or penalty imposed upon Processor or Bank by any third party related to any act or omission by You in connection with, arising out of, or relating to any Card transaction; (iv) any violation by You, your employees, agents, subcontractors, or vendors of any applicable Laws, Operating Regulations, Data Security Regulations or Rules; and (v) any use of Optional Services by You.

C. Limitation of Liability. The aggregate liability of Processor and Bank under this Agreement, whether to You or any other party, whatever the basis of the liability (including, without limitation, tort, contractual, statutory, regulatory, or otherwise), will not exceed in the aggregate ten times the difference between: (i) the amount of Rates & Fees Processor received from You during the month in which the transaction out of which the liability arose occurred and (ii) assessments, Chargebacks, InterChange, Card Network fees and offsets against such fees which arose during that month. If more than one month is involved, the aggregate amount of Processor and Bank's liability will not exceed the lowest amount determined in accordance with the previous sentence for any one month involved. IN NO EVENT WILL PROCESSOR, BANK, OR THEIR AGENTS, OFFICERS, DIRECTORS, OR EMPLOYEES BE LIABLE FOR LOSS OF PROFITS, INDIRECT, SPECIAL, OR CONSEQUENTIAL DAMAGES. No party will be liable to the other for any failure or delay of its performance of the agreement if such failure or delay arises out of causes beyond the control and without the fault or negligence of such party.

D. Disclaimer of Warranties. EXCEPT AS EXPRESSLY PROVIDED FOR IN THIS AGREEMENT, NEITHER PROCESSOR

NOR BANK MAKE ANY REPRESENTATION OR WARRANTY, STATUTORY OR IMPLIED, TO YOU OR TO ANY OTHER PERSON OR ENTITY. PROCESSOR AND BANK EXPRESSLY DISCLAIM, AND ARE NOT PROVIDING, ANY EXPRESS OR IMPLIED WARRANTY OF ANY KIND, INCLUDING, WITHOUT LIMITATION, ANY WARRANTIES REGARDING MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. CERTAIN STATES DO NOT ALLOW LIMITATIONS OF IMPLIED WARRANTIES OF EXCLUSION OR LIMITATION OF CERTAIN DAMAGES, IN THE EVENT THAT YOUR STATE LAW HAS SUCH LIMITATIONS, SOME OR ALL OF THE ABOVE DISCLAIMERS, EXCLUSIONS OR LIMITATION MAY NOT APPLY TO YOU.

E. Disputes. ANY DISPUTE ARISING OUT OF OR IN ANY WAY RELATING TO THIS AGREEMENT, WHETHER BROUGHT IN COURT OR IN ARBITRATION, SHALL BE COMMENCED WITHIN ONE YEAR OF THE DATE OF THE EVENT GIVING RISE TO THE CAUSE OF ACTION. THIS PARAGRAPH SHALL APPLY EVEN IF APPLICABLE LAW PROVIDES FOR A LONGER STATUTE OF LIMITATIONS FOR THE DISPUTE. ANY DISPUTE NOT COMMENCED IN COURT OR ARBITRATION WITHIN ONE YEAR OF THE DATE OF THE EVENT GIVING RISE TO THE CAUSE OF ACTION SHALL BE FULLY AND COMPLETELY WAIVED, RELEASED AND RELINQUISHED.

13. Representations, Warranties and Covenants.

You represent and warrant to Processor and Bank the following (which shall apply and remain true both at the time of execution and throughout the term of this Agreement):

A. Information. All information contained on the Application, or any other document submitted to Processor or Bank by You, or on your behalf, is true and complete and properly reflects the business, financial condition, and the principal partners, owners or officers of Merchant. You are not engaged or affiliated with any business, products or methods of selling other than those set forth on the Application.

B. Corporate Power. You and the person signing this Agreement have the authority to execute and perform this Agreement. This Agreement will not violate any law or conflict with any other agreement to which You are subject.

C. No Litigation. There is no action, suit, or proceeding pending, or to your knowledge threatened, which, if decided adversely, would impair your ability to carry on your business as it is now conducted or which would adversely affect your financial condition or operations.

D. Transactions. In addition to all other warranties and representations contained within this Agreement and the Laws, Rules, and Operating Regulations, with respect to each transaction and Sales Draft You submit to Processor, You warrant and represent that: (i) the transaction is bona fide, permissible under the Laws, Rules and Operating Regulations; (ii) the transaction involves the use of a Card for the purchase of goods or services from You and does not involve Cardholder obtaining cash from You unless allowed by the Operating Regulations and agreed to in writing by

Processor; (iii) the amount charged for each Card transaction is not subject to any dispute, setoff or counterclaim; (iv) each Card transaction is only for respective products or services (including taxes, but without any surcharge) sold, leased, or rented by You pursuant to your business as indicated on the Application and, except for any delayed delivery or advance deposit Card transactions expressly authorized by this Agreement, that merchandise or service was actually delivered to or performed for the Cardholder entering into that Card transaction simultaneously upon your accepting and submitting that Card transaction for processing; (v) You have no knowledge or notice of any fact or circumstance which would indicate that such Card transaction is fraudulent or not authorized by the Cardholder; and (vi) the transaction is made in accordance with this Agreement, the Rules, Laws, and Operating Regulations.

E. Rule Compliance. You have complied with and will continue to comply with the Operating Regulations, Data Security Regulations, Laws, and Rules.

F. Business. You will not engage in or be affiliated with any business, products or methods of selling other than those set forth in the Application, without the prior written consent of Processor.

14. Audit, Financial Information and Personal Guarantee.

A. Audit. You authorize Processor, Bank and Card Networks to audit your records to confirm compliance with all of your obligations under this Agreement. You will obtain and submit a copy of an audit of your business within ten (10) days of any request by Processor, Bank or Card Networks.

B. Financial Information. You and the personal guarantors authorize and consent to Processor and Bank making any credit inquiries regarding You or the guarantors that Processor or Bank consider reasonably necessary to review the acceptance and continuation of this Agreement. You and guarantors also authorize and consent to any person or credit reporting agency to compile information to answer those credit inquiries and to furnish that information to Processor and/or Bank.

15. Third Parties.

A. Services. You may be using special services or software provided by a third party to assist You in processing transactions, including authorizations and settlements, or accounting functions. You are solely responsible for assuring compliance with the requirements of any third party in accessing or using their products. This includes making sure You comply with any software updates. To the extent Processor and Bank have any responsibility for any transaction, that liability does not begin until the point in time Processor and Bank receive data about the transaction.

B. Use of Terminals Provided by Others. You will notify Processor within 3 business days if You decide to use electronic authorization or data capture terminals provided by any entity other than Processor or its authorized designee (third party terminals) to process transactions,

including, without limitation, leasing a terminal from a third party. If You elect to use third party terminals, You agree (i) the third party providing the terminals will be your agent in the delivery of card transactions to Processor and Bank; and (ii) to assume full and sole responsibility and liability of any failure of that third party to comply with the Data Security Standards, Rules, Operating Regulations, Laws or this Agreement. Processor and Bank will not be responsible for any claims, causes of action, liabilities, losses or additional fees incurred by You or any third party arising out of or relating to any use, error, mistake, delay, or malfunction of a third-party terminal.

16. Terms and Termination.

A. Term. This Agreement will become effective on the earlier of (i) the date Processor or Bank approve and assign You a Merchant Identification Number or (ii) the date Processor processes a transaction for You ("Effective Date"). By processing a transaction with, assisted by, or through Processor, You are agreeing to the terms and conditions of this Agreement. The Agreement will remain in effect for a period of forty-eight (48) months ("Initial Term") and, unless prohibited by applicable Law, will automatically renew for successive twenty-four (24) month terms ("Renewal Term"), or such shorter period as provided by applicable law, unless terminated as set forth below. This Agreement may be terminated immediately upon the request of any of the Card Networks' request. Further, this Agreement may be terminated at any time with 30 days' prior notice by Processor or Bank. If this Agreement is terminated for any of the reasons set forth in this Section, Processor shall have no liability to You and You will not be entitled to any alleged or actual damages arising out of or relating to the termination.

ii. *With Cause.* The non-breaching party or the any of the Card Networks may terminate this Agreement immediately upon the occurrence of an Event of Default, defined below. Notice of a with cause termination must be provided in writing. Termination will be effective on the date specified by the notice.

C. Events of Default. The following will constitute an event of default:

i. *Adverse Financial Condition.* Processor or Bank determine, in their good faith reasonable discretion, that (a) your financial condition has materially adversely changed or (b) there is a reasonable basis to conclude that You cannot satisfy all of your duties and obligations under this Agreement, including, without limitation, your ability to pay all required Rates & Fees.

ii. *Garnishment.* Your Merchant Account, Reserve Account, or any of your property in the possession of

You acknowledge and agree that neither Processor nor Bank shall be liable to You for any claims,

causes of action, liabilities or damages arising out of or relating to Processor or Bank reporting You or your actions/inactions to any Card Network or proper governmental authority. You waive, and hold harmless Processor and Bank for, all claims and liabilities that may occur as a result of Processor and/or Bank complying with its reporting obligations under the Operating Regulations or the Laws.

iv. *Early Termination.* If You terminate this Agreement before the end of the Initial Term, You shall be required to pay an early termination fee as liquidated damages (the "Termination Fee"), unless prohibited by applicable Law. The Termination Fee will be as set forth in the Rates & Fees section of the Application or the maximum amount allowed by applicable Law, whichever is less. Provided, however, that if this Agreement is terminated by Processor and/or Bank as a result of Your violation of the Operating Regulations or applicable Law, the Termination Fee shall be increased to \$1500. If You terminate this Agreement within sixty (60) days after notice of any increase in the Rates & Fees, other than an increase that passes through to You any increase in interchange,

assessments, Card Network Fees or other fees charged by the Card Networks, You will not be charged a Termination Fee. You agree that the Termination Fee is not a penalty, but rather is a reasonable in the light of the financial harm caused by your early termination.

17. Use of Trademarks and Confidentiality.

A. Use of Trademarks. You agree and represent that: (i) your use of Visa, Mastercard and Discover Network Marks will fully comply with the Operating Regulations; (ii) your use of Visa, Mastercard, Discover Network or any other Card Network's promotional material will not indicate directly or indirectly, that Visa, Mastercard, Discover Network or any other Card Network endorses any goods or services other than their own; and (iii) You will not refer to Visa, Mastercard, Discover Network or any other Card Network indicating eligibility for your products or services. If You have requested signage for the purpose of indicating acceptance of Debit Cards, You must display such signage in accordance with the applicable Operating Regulations. All point of sale displays or websites must, if required by the applicable Card Network, include either appropriate Card Network marks to indicate acceptance of Debit and other Cards or Card Network approved signage to indicate acceptance of the limited acceptance category You have selected. You agree to comply, and will comply, with all requirements regarding Marks, advertising and signage set forth in the applicable Operating Regulations for each Card Network. Your use of Card Network Marks will terminate effective with the termination of this Agreement or upon notification by the Card Network to discontinue such use or display. You acknowledge that your use or display of any Mark does not give You any ownership or interest in the Mark.

B. Confidentiality.

i. *Cardholder Information.* You will not disclose to any third party any Cardholders' account information or other personal information except to an agent of yours assisting in completing a Card transaction, or as required by the Operating Regulations or Laws. You must keep all material systems and media containing account, Cardholder, or transaction information (physical or electronic, including, but not limited to account numbers, card imprints, Sales Drafts, TIDs and other Personally Identifiable Information) in a secure manner, to prevent access by or disclosure to anyone other than your authorized personnel. You must destroy in a manner that will render the data unreadable all such media that You no longer deem necessary or appropriate to store (except for Sales Drafts maintained in accordance with this Agreement, the Operating Regulations, Laws and Rules). Further, You must take all steps reasonably necessary to ensure Cardholder Data is not disclosed or otherwise misused. You will comply with all Laws, Data Security Regulations and Operating Regulations with respect to ensuring the security of Cardholders' account information.

ii. *Prohibition.* You will not use for your own purposes, will not disclose to any third party, and will retain in strictest confidence all non-public information and data

belonging to or relating to the business of Processor and Bank (including without limitation the terms of this Agreement), and will safeguard such information and data by using the same degree of care that You use to protect your own confidential information. Non-public information shall refer to information that is not generally available to the public. If You have requested BIN information, and Processor and/or Bank elects in their sole discretion to provide such information to You, unless otherwise provided by law, You must only use this BIN information for product identification purposes at the point of sale, and not disclose this proprietary and confidential BIN information to any third party without prior written permission from Processor, Bank and the applicable Card Network.

iii. *Transfer.* In the event of a failure of your business, including bankruptcy, insolvency, or other suspension of business operations, You must not sell, transfer, or disclose any materials that contain Cardholder Data or other Card transaction information to third parties. You must either return this information to Processor or provide acceptable proof of destruction of this information to Processor.

iv. *Return to Processor.* All promotional materials, advertising displays, emblems, Sales Drafts, credit memoranda and other forms supplied to You by Processor and/or Bank and not purchased by You or consumed in use will remain the property of Processor and will be immediately returned to Processor upon termination of this Agreement. You will be fully and solely liable for any and all claims, causes of action, liabilities, and losses suffered or incurred by Processor or Bank arising out of or relating to your failure to return or destroy such materials following termination.

C. Passwords. If You received or will receive a password from Processor to access a Processor database, gateway, terminal or other similar device or software, You will: (i) keep the password confidential; (ii) not allow any other entity or person to use the password to gain access to the Processor database, gateway, terminal or other similar device or software; (iii) be solely liable for all action taken by any user of the password; and (iv) notify Processor in writing if You believe the confidentiality of the database, gateway, terminal or other similar device or software, or your information was compromised by using the password (with such notice being provided as soon as possible but in no event later than two (2) business days after You obtain such belief). You will also keep your merchant identification number confidential and maintain it in a secure location, and You will not use it for any other purpose other than as authorized by Processor, Bank or the applicable Card Network.

18. PIN Based Debit.

A. Honoring PIN-Debit Cards. You shall not require Cardholders to provide personal information (such as telephone number or address) as a condition for honoring a PIN-Debit Card, unless required otherwise by the Laws, Rules or Operating Regulations. You may not require or request the Cardholder's signature or any other means of

verifying the Cardholder's identity. Merchant shall place the PIN entry device in an area accessible by all Cardholders and that will reasonably prevent others, including your employees, from observing the PIN.

B. PIN-Debit Card Sales Drafts.

i. *Procedures.* You shall deliver to the Cardholder at the time of sale a true and completed copy of the Sales Draft evidencing a sale involving use of a PIN-Debit Card ("PIN-Debit Sales Draft"). The PIN-Debit Sales Draft must comply with the Operating Regulations and Laws. The following information must be included on the PIN-Debit Sales Draft: (i) the truncated PIN-Debit Card account number; (ii) your DBA name; (iii) your city and state; (iv) the amount of sale; and (v) the sale date. A PIN-Debit Sales Draft shall be made available to the Cardholder at each terminal. You may not require or request the Cardholder to provide or disclose their PIN in any oral or written manner to You or your employees. You shall not impose any fee or charge for a PIN-Debit Card transaction without the prior written consent of Processor or Bank.

ii. *Reversal.* A sale may be reversed or voided electronically, but only if such reversal/void is entered prior to midnight of the calendar day on which the sale was initiated. To effect reversal or void, Cardholder must re-enter the PIN, the magnetic stripe reader or EMV chip reader must read the card, and You must transmit the trace number and the exact dollar amount of the sale to be reversed or voided. Any reversal or void by You must be initiated with You.

iii. *Returns.* All returns shall be processed in accordance with your normal procedures except that You or Cardholder shall not attempt to reverse a previously approved transaction unless otherwise permitted in accordance with the applicable Card Network's Operating Regulations. Any sale known by You to be erroneous should be canceled and re-billed in the Cardholder's presence.

iv. *Balance Inquiry.* Balance inquiries may be performed only by the Cardholder at a Cardholder-operated terminal and shall at all times require the Cardholder to enter the PIN and use the magnetic stripe reader or EMV chip reader.

C. Distribution and Storage of Information. You shall store all PIN-Debit Sales Drafts in accordance with applicable Operating Regulations Rules and Laws. You shall destroy or make unreadable all material containing Cardholder account numbers. There are no voice authorizations for PIN-Debit Card transactions and no manually imprinted PIN-Debit Sales Drafts. Merchant may not store Cardholder's PIN in any manner.

D. Promotional Materials. You will adequately display promotional materials to inform the public that PIN-Debit Cards will be honored by Merchant.

E. Equipment. You shall take all necessary steps to ensure all POS Devices and PIN entry devices operated in all locations: (i) are placed in an area accessible to all Cardholders; (ii) are available for use whenever Merchant is open for business; (iii) will function with minimal error, meeting all applicable technical specifications and security

regulations, Laws, Operating Regulations, and industry standards; (iv) will require the Cardholder to enter the Cardholder's PIN at or near the checkout location when initiating a POS transaction; and (v) when PINs are used in conjunction with any store and forward transaction or resubmission You must ensure they are encrypted and stored within a tamper-resistant security module and if your authorization system is capable of store and forward, it must comply with the applicable Operating Regulations regarding this function. Processor, Bank, Card Networks and Card issuers shall not be liable for any losses suffered by You or any third party arising from or relating to the use of the store and forward function. A PIN must never be logged in any form as a function of software either in the clear or encrypted.

F. Supply of Information. Merchant must submit all information requested by Processor, Bank or any Card Network including, without limitation, lists and mailing addresses of terminals. You shall not sell, purchase, provide, or exchange account number information in any form, including, but not limited to, transaction receipts, carbon copies of transaction receipts, mailing lists, or tapes to any third party other than to your agents for the purpose of assisting You in your business, or to the Card Networks, Processor or Bank or pursuant to a government request.

G. Left PIN-Debit Cards. PIN-Debit Cards that are inadvertently left at your location must be held under dual control during the time they are retained. PIN-Debit Cards inadvertently left at your location shall be returned to the Cardholder by You only under the following conditions: (i) the Card was inadvertently left by the Cardholder at an on-premise location, (ii) the Cardholder requests the Card within one (1) business day, and (iii) the Cardholder provides two (2) forms of current identification, at least one (1) of which is a photo identification. If the Cardholder has not requested the Card within one (1) business day, the Card shall be destroyed by cutting it in half through the stripe.

19. DISPUTE RESOLUTION. (READ THIS SECTION CAREFULLY AS IT IMPACTS YOUR LEGAL RIGHTS)

A. MANDATORY ARBITRATION. YOU, PROCESSOR AND BANK AGREE THAT ANY AND ALL DISPUTES SHALL BE RESOLVED EXCLUSIVELY THROUGH FINAL AND BINDING ARBITRATION, AND NOT BY A COURT OR JURY; PROVIDED, HOWEVER, THAT YOU, PROCESSOR OR BANK MAY ASSERT CLAIMS IN SMALL CLAIMS COURT IF THE CLAIMS QUALIFY AND SO LONG AS THE MATTER REMAINS IN SMALL CLAIMS COURT AND PROCEEDS ONLY ON AN INDIVIDUAL (NOT CLASS OR REPRESENTATIVE) BASIS. THIS MANDATORY ARBITRATION PROVISION APPLIES TO ANY AND ALL DISPUTES, WHETHER BETWEEN YOU, PROCESSOR, AND BANK OR ANY SUBSET OF THESE ENTITIES. THE TERM "DISPUTE" SHALL BE DEFINED AS SET FORTH IN SECTION 1 ABOVE AND THUS INCLUDES ALL DISPUTES BETWEEN THE PARTIES, LEGAL AND OTHERWISE, NOT JUST DISPUTES AS DEFINED BY VISA. YOU, PROCESSOR AND BANK AGREE THAT THIS ARBITRATION PROVISION IS INTENDED TO BE AND IS RETROACTIVE.

i. You, Processor and Bank each waive the right to a trial by jury and any right to have a Dispute heard in court. Instead, You, Processor and Bank agree to have all Disputes resolved by a neutral third-party arbitrator. In arbitration, Disputes are resolved by an arbitrator instead of a judge or jury, discovery is more limited than in court, and the arbitrator's decision is subject to limited review by courts. The arbitrator's award can be confirmed in any court of competent jurisdiction.

ii. The arbitration shall be conducted by a single arbitrator, whose award may not exceed, in form or amount, the relief allowed by applicable law. The arbitrator shall have at least ten (10) years of experience in commercial litigation. The arbitrator shall issue his/her final award in a written and reasoned decision to be provided to each party to the arbitration. In his/her decision, the arbitrator shall award the prevailing party its reasonable attorneys' fees and expenses, as well as all arbitration fees, costs and expenses; provided, however, that neither Processor nor Bank shall be entitled to recover attorneys' fees or expenses in an arbitration brought by You if the amount of damages sought, exclusive of attorneys' fees and costs and arbitration fees and costs, is under \$25,000. The arbitrator shall not have the authority to award punitive, exemplary, consequential, special or incidental damages, including, without limitation, lost profits or lost business value.

iii. For claims where You seek damages of \$25,000 or less, exclusive of attorneys' fees and costs and arbitration fees and costs, the arbitration shall be conducted in the city where You are located or You can elect to have the hearing take place telephonically. All other arbitrations shall be conducted in Chicago, Illinois, unless the parties to the arbitration mutually agree to a different location in writing. The arbitration shall be conducted by the American Arbitration Association ("AAA"). The AAA's Commercial Arbitration Rules ("Arbitration Rules") shall apply. The Arbitration Rules are available at www.adr.org. A form for initiating arbitration is available at www.adr.org.

iv. Any discovery sought in connection with arbitration must be expressly approved by the arbitrator only upon a showing of need by the party seeking discovery. All aspects of the arbitration shall be treated as confidential. The parties to the arbitration and the arbitrator may disclose the existence, content, or result of the arbitration only as expressly provided by the Arbitration Rules. The parties to the arbitration shall maintain the confidential nature of the arbitration proceeding and the award, including the hearing, except as may be necessary to prepare for or conduct the arbitration hearing on the merits, or except as may be necessary in connection with a judicial challenge to an award or its enforcement, or unless otherwise required by law or judicial decision. Accordingly, the parties to the arbitration acknowledge and agree that a violation or threatened violation of this nondisclosure covenant will cause irreparable injury to the other party and that, in addition to any other remedies that may be available, in law, in equity, or otherwise, the non-breaching

Party shall be entitled to obtain injunctive relief against the threatened breach of this covenant or the continuation of any such breach by the other party.

B. FAA Governs. This arbitration provision is entered into pursuant to the Federal Arbitration Act ("FAA"), which shall govern its interpretation and enforcement. To the extent any issues arise as to which the FAA does not apply or govern, this "Dispute Resolution" Section and all substantive claims shall be governed by and interpreted according to the laws of the State of Illinois, without regard to principles of conflicts of law. The arbitrator shall decide all issues of interpretation, scope, and application of this "Dispute Resolution" Section and the arbitration provision, with the exception of deciding whether the Arbitration Class Action Waiver in the Section below is valid or enforceable. Any question regarding the validity or enforceability of this "Dispute Resolution" Section shall be resolved by a state or federal court in Illinois, which You, Processor and Bank agree shall be the sole and exclusive jurisdiction for any such question to be resolved (and for which You, Bank and Processor consent to the Court's jurisdiction and waive any right to challenge jurisdiction or venue). This "Dispute Resolution" Section shall survive termination of this Agreement. The agreement to arbitrate is intended to be broadly interpreted.

C. ARBITRATION CLASS ACTION WAIVER. You, Processor and Bank agree that arbitration shall proceed solely on an individual basis and that any Dispute shall not be arbitrated as a class action, shall not be consolidated with the claims of any other party, and shall not be arbitrated on a consolidated, representative, or private attorney general basis. The award or decision in the arbitration will not have any preclusive effect as to issues or claims involved in any proceeding between Processor any anyone who is not a named party to the arbitration. The arbitrator may award relief only in favor of the individual party seeking relief and only to the extent necessary to provide relief warranted by that party's individual claim. The arbitrator's award, if any, shall not apply to any person or entity that is not a party to the arbitration. Any questions regarding the enforceability of this Section shall be decided by a court and not the arbitrator. If any portion of this Section is deemed invalid or unenforceable, then the entire arbitration provision in this Section (other than this sentence and the Section below) shall be null and void and not apply. In no case shall an arbitration proceed on a class basis.

D. NON-ARBITRATION CLASS ACTION WAIVER. If for any reason any Dispute proceeds in court rather than arbitration, the Dispute shall proceed solely on an individual, non-class, non-representative basis. In any Dispute that proceeds in court, neither You, Bank, nor Processor may be a class representative or class member or otherwise participate in any class, consolidated, representative, or private attorney general matter. If for any reason any Dispute proceeds in court rather than arbitration, You, Bank and Processor agree that the sole and

exclusive jurisdiction shall be a state or federal court located in Chicago, Illinois (and You, Bank and Processor consent to the Court's jurisdiction and waive any right to challenge jurisdiction or venue).

E. Invalid or Unenforceable. If an arbitrator or court determines that any part of this "Dispute Resolution" Section, other than Section 19.A. above (regarding Mandatory Arbitration), is invalid or unenforceable, the other parts of this "Dispute Resolution" Section shall apply. Notwithstanding anything to the contrary in the prior sentence, in all cases, the Section above (regarding Non-Arbitration Class Action Waiver) shall remain in effect, valid, and enforceable.

20. General Provisions.

A. Entire Agreement. This Agreement, including the completed Application, the Data Security Regulations, Rules, Laws, Operating Regulations, and any amendment or supplement to this Agreement made in accordance with the procedures set forth in this Section below, all of which are incorporated into this Agreement, constitute the entire agreement between the parties, and all prior or other agreements or representations, written or oral, are terminated and superseded by this Agreement.

B. Governing Law. This Agreement will be governed by the laws of the State of Illinois. The parties agree that all performances and transactions under this Agreement will be deemed to have occurred in Illinois and that Merchant's entry into and performance of this Agreement will be deemed to be the transaction of business within the State of Illinois. Subject to the provisions of "Dispute Resolution" Section above, all suits by either party shall be instituted exclusively in the state or federal courts located in Chicago Illinois. YOU HEREBY SUBMIT TO THE JURISDICTION AND VENUE OF THE COURTS OF THE STATE OF ILLINOIS OR IN THE UNITED STATES DISTRICT COURT FOR THE NORTHERN DISTRICT OF ILLINOIS, UNLESS PROHIBITED BY APPLICABLE LAW.

C. Construction. The headings used in this Agreement are inserted for convenience only and will not affect the interpretation of any provision. The language used will be deemed to be the language chosen by the parties to express their mutual intent, and no rule of strict construction will be applied against any party.

D. Assignability. This Agreement may be assigned by Processor, but it may not be assigned by Bank or Merchant, directly or by operation of law, without the prior written consent of Processor. If You nevertheless assign this Agreement without the consent of Processor, the Agreement will be binding on the assignee and Processor shall be permitted to terminate this Agreement with cause.

E. Notices. Any written notice under this Agreement shall be sent to Processor by certified mail addressed to: 7840 Graphics Drive, Tinley Park, Illinois 60477. All notices to other parties shall be addressed to the last address shown on the records of the sender.

F. Bankruptcy. You will immediately notify Bank and Processor of any bankruptcy, receivership, insolvency, or similar action or proceeding initiated by or against the

Merchant. You will include Bank and Processor on the list and matrix of creditors as filed with the bankruptcy court, whether or not a claim may exist at the time of filing, and failure to do so will be cause for immediate termination or any other action available to Processor under applicable Law. You acknowledge that this Agreement constitutes an executory contract to make a loan or extend other debt financing or financial accommodations to or for the benefit of You, and, as such, cannot be assumed or assigned in the event of your bankruptcy.

G. Customer Contact. You authorize Bank and Processor to contact your customers or their card issuing bank if they determine that such contact is necessary to find out information about any Card transaction between You and the customer.

H. Amendments. Processor may propose amendments or additions to this Agreement. Processor will inform You of a proposed change in a periodic statement or other written notice, including notice contained within your billing statement, invoice or any notice sent electronically, including notices posted in your portal. You will be deemed to have agreed to the change if You present one or more transactions to Processor thirty (30) days following the mailing of the notice. Notwithstanding the previous sentence, changes to fees authorized by this Agreement are effective upon notice to You, unless a later effective date is provided. Further, notwithstanding anything to the contrary in this Section or this Agreement, Processor is entitled to immediately pass through to You any fee increases imposed by Visa, Mastercard, Discover Network, Amex, Other Networks or telecommunication vendors without giving You the right to terminate this Agreement or reject those fee increases. Further, this Agreement will be deemed amended to comply with any changes to the Operating Regulations, Laws or Rules.

I. Severability and Waiver. Except as expressly set forth in the "Dispute Resolution" Section above, if any provision of this Agreement is illegal or unenforceable, the invalidity of that provision will not affect any of the remaining provisions, and this Agreement will be construed as if the illegal provision is not contained in the Agreement. Neither the failure nor delay by Processor or Bank to exercise, or the partial exercise of, any right under this Agreement will operate as a waiver or estoppel of such right, nor shall it amend this Agreement. All waivers must be signed by Processor.

J. Independent Contractors. Processor, Bank, and Merchant and certain of the sales and marketing offices will be deemed independent contractors and none will be considered agent, joint venture, or partner of the other.

K. Survival. Sections 1, 2, 3.B., 3.F., 3.G., 3.H., 6.A., 6.C., 7.C., 7.I., 7.K., 9, 10, 11, 12, 13, 14, 16, 17, 18, and 19 shall survive termination of this Agreement.

L. Bank Contact. Merchant may contact Bank at the following address and telephone number: Fifth Third Bank National Association, 38 Fountain Square Plaza, Cincinnati, Ohio 45263; Telephone (800) 972-3030.

In addition,

American Express may use the information obtained in the setup of Merchant's account to screen and/or monitor Merchant in connection with American Express Transaction Card marketing and administrative purposes. Any person (including Merchant) providing permission to obtain or disclose information in connection with this Agreement hereby releases and waives any right or claim arising out of or related to such disclosure, including defamation claims, even if the information that is disclosed is incorrect or incomplete, Merchant acknowledges that its business name and the name of its principals may be reported to MATCH and hereby consents to such reporting, and waives and holds Processor harmless from all claims and liabilities it may have as a result of such reporting.

ACCOUNTING INTEGRATION TERMS AND CONDITIONS

These terms and conditions are between You and Processor, and not Bank, and govern your use of the Accounting Integration Services and related software (collectively the "AI Service"). Contact Processor's Customer Service for the Accounting Integration Service Provider ("ASP"), which may or may not be Processor, availability in your market area. Rates and AI Service are subject to change by the ASP. Any such changes shall be posted on ASP's web site.

IMPORTANT: READ THIS AGREEMENT BEFORE USING THE AI SERVICE PROVIDED BY ASP. YOUR USE OF THE AI SERVICE, OR SIGNED ACKNOWLEDGEMENT, WILL INDICATE YOUR ACCEPTANCE OF ALL OF THE FOLLOWING TERMS. If this Agreement is unacceptable to You, do not use the AI Service. ASP is willing to provide AI Service only if You agree to be bound by the following terms:

1. AI Services and Information.

A. Neither ASP nor Processor is responsible for the accuracy or completeness of information sent or received by You through the AI Service. In certain instances, ASP may make available through the AI Service certain information, data, or messages (collectively referred to as "Information") independently obtained by ASP from various sources, their affiliates, and others (collectively referred to as "Information Providers"). Such Information may be the subject of additional terms and conditions of the Information Providers. Your use of and access to the Information shall constitute your acceptance of those terms and conditions. If You do not agree to the additional terms and conditions, do not use and access the Information. The accuracy, completeness, timeliness, or correct sequencing of the Information is not guaranteed by ASP, the Information Providers, or any parties processing Information or payments (the foregoing parties are collectively referred to as the "Disseminating Parties"). The AI Service must be used in compliance with the Federal Communications Commission and other federal, state and local laws, rules and regulations. The AI Service shall not be used to transmit unauthorized or illegal credit card charges and may not be resold or otherwise provided to third parties.

B. Although ASP uses commercially reasonable efforts to provide for the secure transmission of information through the AI Service, confidential use of the AI Service by You cannot be guaranteed by ASP, Processor or the Disseminating Parties. Neither ASP nor Processor is responsible for any harm that You or any person may suffer as a result of a breach of confidentiality in respect to your use of the AI Service. Subject to these terms and conditions, ASP will provide You with AI Service that enables the transport and reporting of certain data over certain wireless and other carrier networks to and from various credit and debit card payment processors. The AI Service may include network connectivity via providers to the ASP application architecture including access to a variety of external payment processors that ASP arranges from time to time.

Since the AI Service integrates third-party vendors as an essential part of the AI Service, availability may vary due to events beyond the control of ASP and Processor, including, without limitation, routine maintenance and outages by telecommunications carriers and payment processors. You shall be solely responsible for obtaining, installing, supporting, and maintaining hardware, handheld devices and related hardware required to access and use the AI Service. ASP may suspend the AI Service to You to: (i) prevent damages to, or degradation of, its network integrity which may be caused by You, Processor or their respective employees or agents; (ii) comply with any law, regulation, court order, or other governmental request order which requires immediate action; or (iii) otherwise protect ASP in its good faith judgment from potential legal liability. ASP may also suspend AI Service in the event fees hereunder are not paid when due. To the extent commercially reasonable, ASP shall give notice to You before suspending or terminating the AI Service. In the event of a suspension, ASP shall promptly restore the AI Service after the event giving rise to the suspension has been resolved. ASP reserves the right in its discretion and without notice to make changes to the AI Service and to terminate your access to, and use of, the AI Service to permit other customers to use the radio frequency, or frequencies, on which the AI Service are being provided. You acknowledge that the AI Service is subject to transmission limitations caused by conditions such as your operating characteristics, selected hardware, atmospheric, weather, topographical, operating characteristics of mobile terminal devices, and other like conditions. Additionally, AI Service may be suspended, refused, limited or curtailed due to governmental regulations or orders, system capacity limitations, limitations imposed by an underlying carrier, or because of hardware or software modifications, upgrades, repairs or reallocations or other similar activities necessary or proper for the operation or improvement of ASP's facilities and the Service.

C. YOU HAVE NO CONTRACTUAL RELATIONSHIP WITH THE UNDERLYING ASP AND YOU ARE NOT A THIRD-PARTY BENEFICIARY OF ANY AGREEMENT BETWEEN ASP AND PROCESSOR. YOU UNDERSTAND AND AGREE THAT THE ASP SHALL HAVE NO LEGAL, EQUITABLE, OR OTHER LIABILITY OF ANY KIND TO YOU.

D. YOU SHALL INDEMNIFY AND HOLD HARMLESS PROCESSOR AND ASP AND THEIR OFFICERS, EMPLOYEES, AND AGENTS AGAINST ANY AND ALL CLAIMS, INCLUDING, WITHOUT LIMITATION, CLAIMS FOR LIBEL, SLANDER, OR ANY PROPERTY DAMAGE, PERSONAL INJURY OR DEATH, ARISING IN ANY WAY, DIRECTLY OR INDIRECTLY, IN CONNECTION WITH THIS AGREEMENT OR THE USE, FAILURE TO USE, OR INABILITY TO USE THE SERVICE AND/OR NUMBER AND/OR THE NEGLIGENCE OF ASP AND PROCESSOR AND THEIR OFFICERS, EMPLOYEES, AND AGENTS EXCEPT WHERE THE CLAIMS RESULT FROM ASP'S OR PROCESSOR'S WILLFUL MISCONDUCT. THIS INDEMNITY SHALL SURVIVE THE TERMINATION OF THIS AGREEMENT.

E. YOU HAVE NO PROPERTY RIGHT IN ANY NUMBER ASSIGNED TO IT, AND YOU UNDERSTAND THAT ANY SUCH NUMBER CAN BE CHANGED FROM TIME TO TIME.

F. YOU UNDERSTAND THAT ASP AND PROCESSOR CANNOT GUARANTEE THE SECURITY OF WIRELESS OR OTHER TELECOMMUNICATIONS, AND TRANSMISSION, AND WILL NOT BE LIABLE FOR ANY LACK OF SECURITY RELATING THERETO.

G. You agree not to reproduce, re-transmit disseminate, sell, distribute, publish, broadcast, circulate or commercially exploit the Information in any manner without the express written consent of ASP and the relevant Information Provider(s). You agree to immediately notify ASP and Processor if You become aware of any of the following: (i) any loss or theft of your access number(s) and/or password(s) to the AI Service or Information, or (ii) any unauthorized use of any of your access number(s) and/or password(s), or of the AI Service or any Information. You agree to abide by all federal, state and local laws, rules, and regulations when utilizing the AI Service and Information. You agree to defend, indemnify, and hold ASP, Processor and the Disseminating Parties harmless from and against any and all claims, losses, liabilities, costs and expenses (including but not limited to attorneys' fees) arising from your violation of this Agreement or any third party's rights.

H. You acknowledge that neither the AI Service nor any of the Information is intended to supply advice of any nature. Although the AI Service may provide Information on a number of topics, none of the Information is endorsed by ASP, Processor, the underlying wireless service and/or telecommunication carrier(s), or any Disseminating Party. Neither ASP, Processor nor the Disseminating Parties recommends any service or product offered or advertised in the Information.

2. Pricing and Payment.

A. You shall make payment to Processor for all AI Services in accordance with the pricing set forth in the Agreement.

B. Prices do not include federal, state, or local taxes, shipping, fees, duties, or licenses. You agree to pay to Processor all applicable taxes, fees, duties, and licenses and such amounts will be added to the amount due to Processor from You.

3. **DISCLAIMER.** YOU ASSUME TOTAL RISK AND RESPONSIBILITY FOR YOUR USE OF THE AI SERVICE AND INFORMATION. NEITHER ASP, PROCESSOR NOR ANY DISSEMINATING PARTY WILL BE LIABLE IN ANY WAY TO YOU OR ANY THIRD PARTY FOR (A) ANY INACCURACY, ERROR OR DELAY IN, OR OMISSION OF (I) ANY INFORMATION OR (II) THE TRANSMISSION OR DELIVERY OF ANY SUCH INFORMATION, OR (B) ANY LOSS OR DAMAGE ARISING FROM OR OCCASIONED BY (I) ANY SUCH INACCURACY, ERROR, DELAY OR OMISSION, (II) NON-PERFORMANCE, OR (III) INTERRUPTION IN ANY SUCH INFORMATION FOR ANY REASON, INCLUDING, WITHOUT LIMITATION, ANY NEGLIGENT ACT OR OMISSION BY ASP, PROCESSOR OR ANY DISSEMINATING PARTY. THE AI SERVICE AND

INFORMATION ARE PROVIDED "AS IS," WITH ALL FAULTS, AND WITHOUT WARRANTY OF ANY KIND. ASP, PROCESSOR AND THE DISSEMINATING PARTIES EXPRESSLY DISCLAIM ALL WARRANTIES, EXPRESS AND IMPLIED, INCLUDING BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY, QUIET ENJOYMENT, QUALITY OF INFORMATION, TITLE/NON- INFRINGEMENT, AND FITNESS FOR A PARTICULAR PURPOSE. ASP AND PROCESSOR MAKE NO WARRANTY OF ANY KIND, WHETHER EXPRESS OR IMPLIED WITH REGARD TO ANY HARDWARE, PRODUCTS, SOFTWARE, OR PROGRAMMING OBTAINED BY YOU FROM THIRD PARTIES (COLLECTIVELY, THE "THIRD-PARTY ITEMS") AND EXPRESSLY DISCLAIM ALL WARRANTIES, EXPRESS AND IMPLIED, INCLUDING BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY, QUIET ENJOYMENT, QUALITY OF INFORMATION, TITLE/NON-INFRINGEMENT, AND FITNESS FOR A PARTICULAR PURPOSE RELATED TO SUCH THIRD-PARTY ITEMS.

4. **Term and Termination.** ASP and Processor reserve the right to terminate your access to the AI Service and Information or any portion of them in their sole discretion, without notice, and without limitation, for any reason whatsoever, including, without limitation, to the unauthorized use of your access number(s) and/or passwords, breach of this Agreement, failure to pay amounts due ASP, Processor and/or the Disseminating Parties, discontinuance of the AI Service, or loss of access to any information from any of the Disseminating Parties. Upon termination, ASP, Processor and the Disseminating Parties shall have no liability to You; provided, however, that if the termination is without cause, Processor shall refund the pro rata portion of any fee which may have been pre-paid by You for the portion of the AI Service not furnished to You as of the date of such termination.

5. **LIMITATION OF LIABILITY.** IN NO EVENT WILL ASP OR PROCESSOR BE LIABLE TO YOU OR ANY THIRD PARTY FOR ANY DIRECT, INCIDENTAL, CONSEQUENTIAL, SPECIAL, INDIRECT, PUNITIVE OR EXEMPLARY DAMAGES (INCLUDING, WITHOUT LIMITATION, DAMAGES FOR LOSS OF BUSINESS, LOSS OF PROFITS, LOSS OF GOODWILL OR BUSINESS REPUTATION, BUSINESS INTERRUPTION, LOSS OF DATA, LOSS OF BUSINESS INFORMATION AND DAMAGES THAT RESULT FROM INCONVENIENCE, DELAY OR LOSS OF THE USE OF AI SERVICE), EVEN IF ASP OR PROCESSOR HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES OR LOSSES. IN ANY EVENT, REGARDLESS OF THE FORM OF THE ACTION, WHETHER FOR BREACH OF CONTRACT, WARRANTY, NEGLIGENCE, STRICT LIABILITY IN TORT OR OTHERWISE, YOUR EXCLUSIVE REMEDY FOR CLAIMS (WHETHER IN CONTRACT, TORT OR OTHERWISE) ARISING IN ANY WAY IN CONNECTION WITH THIS AGREEMENT, FOR ANY CAUSE WHATSOEVER, INCLUDING, WITHOUT LIMITATION, ANY FAILURE OR DISRUPTION OF AI SERVICE PROVIDED HEREUNDER, IS LIMITED TO PAYMENT OF DIRECT DAMAGES IN AN AMOUNT NOT TO EXCEED \$25.00.

6. **Assignment.** You may not assign or transfer any right or obligation under this Addendum without the written consent of Processor.

7. **Force Majeure.** Neither ASP or Processor shall be liable for any loss resulting from a cause over which such entity does not have direct control, including without limitation, failure of electronic or mechanical equipment or communication lines, Internet slowdowns or failures, telephone or other interconnect problems, unauthorized access, theft, operator errors, severe weather, earthquakes, floods, acts of war, and strikes or other labor problems.

7. **Assignment.** You may not assign or transfer any right or obligation under this Addendum without the written consent of Processor.

8. **Force Majeure.** Processor shall be excused from delays in performing or from its failure to perform hereunder to the extent that such delays or failures result from a natural calamity, act of government, or similar cause beyond the control of Processor; provided that, in order to be excused from delay or failure to perform, Processor must act diligently to remedy the effect of such delay or failure.

9. **Incorporation of Terms of Agreement.** All terms of the Agreement, except those inconsistent with the terms of this Addendum are incorporated and included as part of this Addendum. All capitalized terms not defined in this Addendum shall have the meaning set forth in the Agreement.

FUNDING TERMS AND CONDITIONS

These Funding terms and conditions contained in this Addendum are between You and Processor, and not Bank, and govern your use of the various funding options and related software, including but not limited to Next Day Funding and Same Day Money Express (individually a "Funding Service" and collectively the "Funding Services") provided by Processor. Rates, fees and the Funding Services provided by Processor are subject to change by the Processor. Any such changes shall either be provided to You by written notification or posted on Processor's web site. Further, your continued participation in Next Day Funding or Same Day Money Express is subject ongoing credit approval.

IMPORTANT: READ THIS AGREEMENT BEFORE USING THE FUNDING OPTION PROVIDED BY PROCESSOR PURSUANT TO THIS AGREEMENT. YOUR USE OF NEXT DAY FUNDING OR SAME DAY MONEY EXPRESS, OR YOUR SIGNED ACKNOWLEDGEMENT REGARDING THE SAME, WILL INDICATE YOUR ACCEPTANCE OF ALL OF THE FOLLOWING TERMS. If this Agreement is unacceptable to You, do not use the Same Day Money Express. Processor is willing to provide the Same Day Money Express only if You agree to be bound by the following terms:

2. Posting of ACH Receipts. Processor cannot guarantee that your bank will post ACH receipts the next morning, even though those funds were forwarded to your bank by Processor on a timely basis.

3. Failure to Timely Fund. In the event that any unforeseen circumstance prevents Processor from making the funds available in accordance with the provisions of the "Next Day Funding and Same Day Money Express" Section

above, such funds will then be made available in accordance with Processor's Standard Funding schedule.

4. LIMITATION OF LIABILITY. IN THE EVENT THAT PROCESSOR FAILS TO FUND IN ACCORDANCE WITH THE SECTIONS ABOVE, YOUR SOLE AND EXCLUSIVE REMEDY SHALL BE LIMITED TO REDCUTION OF THE MONTHLY FEE FOR THE NEXT DAY FUNDING OR SAME DAY MONEY EXPRESS PROGRAM, AS APPLICABLE, PAID BY YOU FOR THE MONTH IN WHICH PROCESSOR FAILED TO SATISFY PROCESSOR'S FUNDING OBLIGATION UNDER THE SECTIONS ABOVE. SUCH REDUCTION SHALL BE EQUAL TO THE NUMBER OF DAYS ON WHICH PROCESSOR DID NOT MEET ITS FUNDING OBLIGATION DIVIDED BY THE NUMBER OF DAYS IN THE APPLICABLE MONTH.

5. DISCLAIMER. YOU ASSUME TOTAL RISK AND RESPONSIBILITY FOR YOUR USE OF THE FUNDING SERVICES. EXCEPT AS EXPRESLY SET FORTH IN THESE FUNDING TERMS AND CONDITIONS PROCESSOR WILL NOT BE LIABLE IN ANY WAY TO YOU OR ANY THIRD PARTY FOR (A) ANY INACCURACY, ERROR OR DELAY IN, OR OMISSION OF (I) ANY INFORMATION OR FUNDS OR (II) THE TRANSMISSION OR DELIVERY OF ANY SUCH FUNDS, OR (B) ANY LOSS OR DAMAGE ARISING FROM OR OCCASIONED BY (I) ANY SUCH INACCURACY, ERROR, DELAY OR OMISSION, (II) NON-PERFORMANCE, OR (III) INTERRUPTION IN ANY SUCH INFORMATION FOR ANY REASON, INCLUDING BUT NOT LIMITED TO ANY NEGLIGENT ACT OR OMISSION BY PROCESSOR. THE NEXT DAY FUNDING AND SAME DAY MONEY EXPRESS ARE PROVIDED "AS IS," WITH ALL FAULTS, AND WITHOUT WARRANTY OF ANY KIND. PROCESSOR EXPRESSLY DISCLAIMS ALL WARRANTIES, EXPRESS AND IMPLIED, INCLUDING BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY, QUIET ENJOYMENT, QUALITY OF INFORMATION, TITLE/NON-INFRINGEMENT, AND FITNESS FOR A PARTICULAR PURPOSE. PROCESSOR MAKES NO WARRANTY OF ANY KIND, WHETHER EXPRESS OR IMPLIED WITH REGARD TO ANY HARDWARE, PRODUCTS, SOFTWARE, OR PROGRAMMING OBTAINED BY YOU FROM THIRD PARTIES (COLLECTIVELY, THE "THIRD-PARTY ITEMS") AND EXPRESSLY DISCLAIM ALL WARRANTIES, EXPRESS AND IMPLIED, INCLUDING, WITHOUT LIMITATION, THE IMPLIED WARRANTIES OF MERCHANTABILITY, QUIET ENJOYMENT, QUALITY OF INFORMATION, TITLE/NON- INFRINGEMENT, AND FITNESS FOR A PARTICULAR PURPOSE RELATED TO SUCH THIRD-PARTY ITEMS.

6. Fee for Next Day Funding or Same Day Money Express. You agree to pay the fee for Next Day Funding or Same Money Express set forth in this Agreement. Processor may change the fee for Next Day Funding or Same Day Money Express at any time by providing notice to You.

7. ACH Authorization. By signing the Merchant Application and electing to receive Next Day Funding or Same Day Money Express, You authorize Processor to collect the aforementioned fee by electronically debiting the Merchant Account using the ACH System.

8. **Termination.** Processor, in its sole discretion, reserves the right to terminate your participation in the Overnight Money Express (trademark) program at any time.

9. **Force Majeure.** Processor shall not be liable for any loss resulting from a cause over which Processor does not have direct control, including, without limitation, failure of electronic or mechanical equipment or communication lines, Internet slowdowns or failures, telephone or other interconnect problems, unauthorized access, theft, operator errors, severe weather, earthquakes, floods, acts of war, and strikes or other labor problems.

11. **General.** This Addendum and the Agreement constitute the entire agreement between the parties and supersedes all prior or simultaneous representations, negotiations, and agreements, whether written or oral, and all industry customs or trade practices. Neither party has entered into this Agreement by reason of or in reliance on any representations which are not fully stated in this Agreement. If any provision of this Agreement is invalid or unenforceable under applicable laws, it is, to that extent, deemed omitted and the remaining provisions will continue in full force and effect. Any dispute, controversy or claim arising under, out of, in connection with or in relation to this Agreement, or the breach, termination, validity or enforceability of any provision hereof (a "Dispute"), if not resolved informally through negotiation between the parties, will be submitted to a binding arbitration in accordance with the terms of the Agreement. Notwithstanding the foregoing, this Section shall not preclude either party from seeking temporary, provisional, or injunctive relief from any court. In any action/arbitration brought under this Agreement, the prevailing party shall be entitled to recover its actual costs and attorneys' fees and all other litigation costs, including expert witness fees, and all actual attorneys' fees and costs incurred in connection with the enforcement of a judgment arising from any action or proceeding.

12. **Survival.** The terms and conditions of Sections 4 through 11 above shall survive any expiration or termination of this Agreement.

WIRELESS SERVICES TERMS AND CONDITIONS

These Wireless Services terms and conditions are between You and Processor, and not Bank, and govern your use of the Wireless Services (the "Wireless Services"). Contact Processor's Customer Service for the Wireless Service Provider ("WSP") availability in your market area. Rates and Wireless Service are subject to change by the WSP. Any such changes shall be posted on WSP's web site.

IMPORTANT: READ THIS AGREEMENT BEFORE USING THE WIRELESS SERVICE PROVIDED BY WSP. YOUR USE OF THE WIRELESS SERVICE, OR SIGNED ACKNOWLEDGEMENT, WILL INDICATE YOUR ACCEPTANCE OF ALL OF THE FOLLOWING TERMS. If

this Agreement is unacceptable to You, do not use the Wireless Service. WSP is willing to provide the Wireless Service only if You agree to be bound by the following terms:

1. Wireless Services and Information.

A. Neither WSP nor Processor is responsible for the accuracy or completeness of information sent or received by You through the Wireless Service. In certain instances, WSP may make available through the Wireless Service certain information, data, or messages (collectively referred to as "Information") independently obtained by WSP from various sources, their affiliates, and others (collectively referred to as "Information Providers"). Such Information may be the subject of additional terms and conditions of the Information Providers. Your use of and access to the Information shall constitute your acceptance of those terms and conditions. If You do not agree to the additional terms and conditions, do not use and access the Information. The accuracy, completeness, timeliness, or correct sequencing of the Information is not guaranteed by WSP, the Information Providers, or any parties processing Information or payments (the foregoing parties are collectively referred to as the "Disseminating Parties").

B. Although WSP uses commercially reasonable efforts to provide for the secure transmission of information through the Wireless Service, confidential use of the Wireless Service by You cannot be guaranteed by WSP, Processor or the Disseminating Parties. Neither WSP nor Processor is responsible for any harm that You or any person may suffer as a result of a breach of confidentiality in respect to your use of the Wireless Service. Subject to these terms and conditions, WSP will provide You with Wireless Services that enable the transport and reporting of certain data over certain wireless and other carrier networks to and from various credit and debit card payment processors. The Wireless Services may include network connectivity via Velocita Wireless, AT&T Wireless and other providers to the WSP application architecture including access to a variety of external payment processors that WSP arranges from time to time. Since the Wireless Services integrate third-party vendors as an essential part of the Wireless Services, availability may vary due to events beyond the control of WSP and Processor including, without limitation, to routine maintenance and outages by telecommunications carriers and payment processors. You

shall be solely responsible for obtaining, installing, supporting, and maintaining the handheld devices and related hardware required to access and use the Wireless Services. WSP may suspend the Wireless Services to You to: (i) prevent damages to, or degradation of, its network integrity which may be caused by You, Processor or their respective employees or agents; (ii) comply with any law, regulation, court order, or other governmental request order which requires immediate action; or (iii) otherwise protect WSP in its good faith judgment from potential legal liability. WSP may also suspend Wireless Services in the event fees hereunder are not paid when due. To the extent commercially reasonable, WSP shall give notice to You before suspending or terminating the Wireless Services. In the event of a suspension, WSP shall restore the Wireless Services promptly after the event giving rise to the suspension has been resolved.

C. YOU HAVE NO CONTRACTUAL RELATIONSHIP WITH THE UNDERLYING WIRELESS AND/OR TELECOMMUNICATIONS SERVICE CARRIER(S) AND YOU ARE NOT A THIRD-PARTY BENEFICIARY OF ANY AGREEMENT BETWEEN WSP, PROCESSOR AND THE UNDERLYING WIRELESS AND/OR TELECOMMUNICATIONS SERVICE CARRIER(S). YOU UNDERSTAND AND AGREE THAT THE UNDERLYING WIRELESS AND/OR TELECOMMUNICATIONS SERVICE CARRIER(S) SHALL HAVE NO LEGAL, EQUITABLE, OR OTHER LIABILITY OF ANY KIND TO YOU.

D. YOU SHALL INDEMNIFY AND HOLD HARMLESS WSP, PROCESSOR AND THE UNDERLYING WIRELESS, AND/OR TELECOMMUNICATIONS SERVICE CARRIER(S) AND THEIR OFFICERS, EMPLOYEES, AND AGENTS AGAINST ANY AND ALL CLAIMS, INCLUDING WITHOUT LIMITATION CLAIMS FOR LIBEL, SLANDER, OR ANY PROPERTY DAMAGE, PERSONAL INJURY OR DEATH, ARISING IN ANY WAY, DIRECTLY OR INDIRECTLY, IN CONNECTION WITH THIS AGREEMENT OR THE USE, FAILURE TO USE, OR INABILITY TO USE THE WIRELESS SERVICE AND/OR NUMBER AND/OR THE NEGLIGENCE OF ASP, PROCESSOR AND THE UNDERLYING WIRELESS, AND/OR TELECOMMUNICATIONS SERVICE CARRIER(S) AND THEIR OFFICERS, EMPLOYEES, AND AGENTS EXCEPT WHERE THE CLAIMS RESULT FROM WSP'S, PROCESSOR'S OR THE UNDERLYING WIRELESS AND/OR TELECOMMUNICATIONS SERVICE CARRIER'S WILLFUL MISCONDUCT. THIS INDEMNITY SHALL SURVIVE THE TERMINATION OF THE AGREEMENT.

E. YOU HAVE NO PROPERTY RIGHT IN ANY NUMBER ASSIGNED TO IT, AND YOU UNDERSTAND THAT ANY SUCH NUMBER CAN BE CHANGED FROM TIME TO TIME.

F. YOU UNDERSTAND THAT WSP, PROCESSOR AND UNDERLYING WIRELESS AND/OR TELECOMMUNICATIONS SERVICE CARRIER(S) CANNOT GUARANTEE THE SECURITY OF WIRELESS OR OTHER TELECOMMUNICATION TRANSMISSIONS, AND THEY WILL NOT BE LIABLE FOR ANY LACK OF SECURITY RELATING TO THE USE OF THE WIRELESS SERVICES.

G. You agree not to reproduce, re-transmit, disseminate, sell, distribute, publish, broadcast, circulate or commercially exploit the Information in any manner

without the express written consent of WSP and the relevant Information Provider(s). You agree to immediately notify WSP and Processor if You become aware of any of the following: (i) any loss or theft of your access number(s) and/or password(s) to the Wireless Service or Information, or (ii) any unauthorized use of any of your access number(s) and/or password(s), or of the Wireless Service or any Information. You agree to abide by all federal, state and local laws, rules, and regulations when utilizing the Wireless Service and Information. You agree to defend, indemnify, and hold WSP, Processor and the Disseminating Parties harmless from and against any and all claims, losses, liabilities, costs and expenses (including but not limited to attorneys' fees) arising from your violation of this Agreement or any third party's rights.

H. You acknowledge that neither the Wireless Service nor any of the Information is intended to supply advice of any nature. Although the Wireless Service may provide Information on a number of topics, none of the Information is endorsed by WSP, Processor, the underlying wireless service and/or telecommunication carrier(s), or any Disseminating Party. Neither WSP, Processor nor the Disseminating Parties recommend any service or product offered or advertised in the Information.

2. Pricing and Payment.

A. You shall make payment to Processor for all Wireless Services in accordance with the pricing set forth in the Agreement.

B. Prices do not include federal, state, or local taxes, shipping, fees, duties, or licenses. You agree to pay to Processor all applicable taxes, fees, duties, and licenses and such amounts will be added to the amount due to Processor from You.

3. **DISCLAIMER.** YOU ASSUME TOTAL RISK AND RESPONSIBILITY FOR YOUR USE OF THE WIRELESS SERVICE AND INFORMATION. NEITHER WSP, PROCESSOR NOR ANY DISSEMINATING PARTY WILL BE LIABLE IN ANY WAY TO YOU OR ANY THIRD PARTY FOR (A) ANY INACCURACY, ERROR OR DELAY IN, OR OMISSION OF (I) ANY INFORMATION OR (II) THE TRANSMISSION OR DELIVERY OF ANY SUCH INFORMATION, OR (B) ANY LOSS OR DAMAGE ARISING FROM OR OCCASIONED BY (I) ANY SUCH INACCURACY, ERROR, DELAY OR OMISSION, (II) NON-PERFORMANCE, OR (III) INTERRUPTION IN ANY SUCH INFORMATION FOR ANY REASON, INCLUDING, WITHOUT LIMITATION, ANY NEGLIGENT ACT OR OMISSION BY WSP, PROCESSOR OR ANY DISSEMINATING PARTY. THE WIRELESS SERVICE AND INFORMATION ARE PROVIDED "AS IS," WITH ALL FAULTS, AND WITHOUT WARRANTY OF ANY KIND. WSP, PROCESSOR AND THE DISSEMINATING PARTIES EXPRESSLY DISCLAIM ALL WARRANTIES, EXPRESS AND IMPLIED, INCLUDING, WITHOUT LIMITATION, THE IMPLIED WARRANTIES OF MERCHANTABILITY, QUIET ENJOYMENT, QUALITY OF INFORMATION, TITLE/NON- INFRINGEMENT, AND FITNESS FOR A PARTICULAR PURPOSE. WSP AND PROCESSOR MAKE NO WARRANTY OF ANY KIND, WHETHER EXPRESS OR IMPLIED WITH REGARD TO ANY HARDWARE, PRODUCTS, SOFTWARE, OR PROGRAMMING OBTAINED BY

YOU FROM THIRD PARTIES (COLLECTIVELY, THE "THIRD-PARTY ITEMS") AND EXPRESSLY DISCLAIM ALL WARRANTIES, EXPRESS AND IMPLIED, INCLUDING, WITHOUT LIMITATION, THE IMPLIED WARRANTIES OF MERCHANTABILITY, QUIET ENJOYMENT, QUALITY OF INFORMATION, TITLE/NON-INFRINGEMENT, AND FITNESS FOR A PARTICULAR PURPOSE RELATED TO SUCH THIRD-PARTY ITEMS

4. Intellectual Property (IP) Rights and Trademarks.

All copyrights, patents, patent rights, trade secrets, trademarks, service marks, tradenames, moral rights and other intellectual property and proprietary rights in the Wireless Service and Information are and will remain the sole and exclusive property of, as applicable, WSP and its vendors/licensors and Disseminating Parties. The Wireless Service and Information contain material that is protected by United States copyright law and trade secret law, and by international treaty provisions. All rights not expressly granted to You under this Agreement are expressly reserved by WSP and its vendors/licensors and the Disseminating Parties. You may not remove or modify any proprietary notice of WSP and its vendors/licensors and Disseminating Parties from the Wireless Service or Information.

5. **Term and Termination.** WSP and Processor reserve the right to terminate your access to the Wireless Service and Information or any portion of them in their sole discretion, without notice, and without limitation, for any reason whatsoever, including, without limitation, the unauthorized use of your access number(s) and/or password(s), breach of this Agreement, failure to pay amounts due WSP, Processor and/or the Disseminating Parties, discontinuance of the Wireless Service, or loss of access to any Information from any of the Disseminating Parties. Upon termination, WSP, Processor and the Disseminating Parties shall have no liability to You; provided, however, that if the termination is without cause, Processor shall refund the pro rata portion of any fee which may have been pre-paid by You for the portion of the Wireless Service not furnished to You as of the date of such termination.

6. **LIMITATION OF LIABILITY.** IN NO EVENT WILL WSP, PROCESSOR, ANY UNDERLYING WIRELESS AND/OR TELECOMMUNICATIONS WIRELESS SERVICE CARRIER(S), OR ANY DISSEMINATING PARTY BE LIABLE TO YOU OR ANY THIRD PARTY FOR ANY DIRECT, INCIDENTAL, CONSEQUENTIAL, SPECIAL, INDIRECT, PUNITIVE OR EXEMPLARY DAMAGES (INCLUDING, WITHOUT LIMITATION, DAMAGES FOR LOSS OF BUSINESS, LOSS OF PROFITS, LOSS OF GOODWILL OR BUSINESS REPUTATION, BUSINESS INTERRUPTION, LOSS OF DATA, LOSS OF BUSINESS INFORMATION AND DAMAGES THAT RESULT FROM INCONVENIENCE, DELAY OR LOSS OF THE USE OF WIRELESS SERVICE), EVEN IF WSP, PROCESSOR, THE UNDERLYING WIRELESS AND/OR TELECOMMUNICATIONS SERVICE CARRIER(S), OR ANY DISSEMINATING PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES OR LOSSES. IN ANY EVENT, REGARDLESS OF THE FORM OF THE

ACTION, WHETHER FOR BREACH OF CONTRACT, WARRANTY, NEGLIGENCE, STRICT LIABILITY IN TORT OR OTHERWISE, YOUR EXCLUSIVE REMEDY FOR CLAIMS (WHETHER IN CONTRACT, TORT OR OTHERWISE) ARISING IN ANY WAY IN CONNECTION WITH THIS AGREEMENT, FOR ANY CAUSE WHATSOEVER, INCLUDING BUT NOT LIMITED TO ANY FAILURE OR DISRUPTION OF WIRELESS SERVICE PROVIDED HEREUNDER, IS LIMITED TO PAYMENT OF DIRECT DAMAGES IN AN AMOUNT NOT TO EXCEED \$25.00.

7. **Assignment.** You may not assign or transfer any right or obligation under this Addendum without written consent of Processor.

8. **Force Majeure.** Neither WSP, Processor, the underlying wireless and/or telecommunications service carrier(s), nor any Disseminating Party shall be liable for any loss resulting from a cause over which such entity does not have direct control, including, without limitation, failure of electronic or mechanical equipment or communication lines, Internet slowdowns or failures, telephone or other interconnect problems, unauthorized access, theft, operator errors, severe weather, earthquakes, floods, acts of war, and strikes or other labor problems.

9. **Incorporation of Terms of Agreement.** All terms of the Agreement, except those inconsistent with the terms of this Addendum, are incorporated and included as part of this Addendum. All capitalized terms not defined in this Addendum shall have the meaning set forth in the Agreement.

10. **General.** You acknowledge that in providing You with the Wireless Service WSP and Processor have relied upon your assent to be bound by the terms of this Agreement. Neither party has entered into this Agreement by reason of or in reliance on any representations which are not fully stated in this Agreement. If any provision of this Agreement is invalid or unenforceable under applicable laws, it is, to that extent, deemed omitted and the remaining provisions will continue in full force and effect. Any dispute, controversy or claim arising under, out of, in connection with or in relation to this Agreement, or the breach, termination, validity or enforceability of any provision hereof (a "Dispute"), if not resolved informally through negotiation between the parties, will be submitted to a binding arbitration by a single arbitrator conducted in accordance with and subject to the Commercial Arbitration Rules of the American Arbitration Association then applicable. Any negotiation or arbitration pursuant to this Section will take place in the state in which the WSP's principal place of business is located. These terms and conditions related to the Wireless Services shall be governed by the law of the state in which the WSP's

principal place of business is located. The award of the arbitrator shall be final, binding, and convertible to a court judgment in any appropriate jurisdiction. Notwithstanding the foregoing, this Section shall not preclude either party from seeking temporary, provisional, or injunctive relief from any court. In any action/arbitration brought under this Agreement, the prevailing party shall be entitled to recover its actual costs and attorneys' fees and all other litigation costs, including expert witness fees, and all actual attorneys' fees and costs incurred in connection with the enforcement of a judgment arising from any action or proceeding.

11. **Survival.** The terms and conditions of the Sections above shall survive any expiration or termination of this Agreement.

Merchant acknowledges and agrees that the processing services and any software used in connection therewith contain proprietary and confidential information of DCS that is protected by applicable intellectual property and other laws.
4. **Use of Merchant Information:** DCS agrees that all Merchant's Transactee data is confidential and will

only be disbursed to third parties of DCS when necessary to effect the terms of this agreement.

5. **Suitability Review:** Merchant agrees that DCS may require the Merchant to update the information provided to DCS as part of our initial review and underwriting at any time, including by not limited to updated credit reports, financials and bank statements. Merchant also agrees that DCS may employ other services to ascertain the Merchant's continued suitability in DCS sole judgment for check processing services. During regular business hours DCS may visit Merchant location to determine Merchant's compliance with this agreement and or require of the Merchant a self-assessment to address the Merchant's suitability. Should Merchant be judged by DCS to be unsuitable for continued processing, DCS may discontinue processing for Merchant and may invoke the termination procedures set forth in this agreement.
6. **Agreement not to sue:** Merchant hereby waives releases and agrees not to sue DCS for any claim in connection with, arising out of, or in any way related to this Agreement. The procedure for settlement of all disputes shall be by negotiation first, mediation second and final resolution by Arbitration as follows:
 - a. In the event of any dispute, claim, question, or disagreement arising from or relating to this agreement or the breach thereof, the parties hereto shall use their best efforts to settle the dispute, claim, question, or disagreement. To this effect, they shall consult and negotiate with each other in good faith and, recognizing their mutual interests, attempt to reach a just and equitable solution satisfactory to both parties.
 - b. If they do not reach solution by negotiation within a period of 60 days, then, upon written notice by either party to the other, all disputes, claims, questions, or differences shall be settled by non-binding mediation administered by the American Arbitration Association under its Commercial Mediation. The cost of mediation will be split among the parties.
7. **DISPUTE RESOLUTION. (READ THIS SECTION CAREFULLY AS IT IMPACTS YOUR LEGAL RIGHTS)**
 - a. **MANDATORY ARBITRATION.** YOU, PAYROC AND DCS AGREE THAT ANY AND ALL DISPUTES SHALL BE RESOLVED EXCLUSIVELY THROUGH FINAL AND BINDING ARBITRATION, AND NOT BY A COURT OR JURY; PROVIDED, HOWEVER, THAT YOU, PAYROC OR DCS MAY ASSERT CLAIMS IN SMALL CLAIMS COURT IF THE CLAIMS QUALIFY AND SO LONG AS THE MATTER REMAINS IN SMALL CLAIMS COURT AND PROCEEDS ONLY ON AN INDIVIDUAL (NOT CLASS OR REPRESENTATIVE) BASIS. THIS MANDATORY ARBITRATION PROVISION APPLIES TO ANY AND ALL DISPUTES, WHETHER BETWEEN YOU AND DCS. THE TERM "DISPUTE" SHALL BE

DEFINED AS SET FORTH IN SECTION 1 OF THE TERMS AND CONDITIONS AND THUS INCLUDES ALL DISPUTES BETWEEN THE PARTIES, LEGAL AND OTHERWISE. YOU, PAYROC AND DCS AGREE THAT THIS ARBITRATION PROVISION IS INTENDED TO BE AND IS RETROACTIVE.

- i. You, Payroc and DCS each waive the right to a trial by jury and any right to have a Dispute heard in court. Instead, You, Payroc and DCS agree to have all Disputes resolved by a neutral third-party arbitrator. In arbitration, Disputes are resolved by an arbitrator instead of a judge or jury, discovery is more limited than in court, and the arbitrator's decision is subject to limited review by courts. The arbitrator's award can be confirmed in any court of competent jurisdiction.
- ii. The arbitration shall be conducted by a single arbitrator, whose award may not exceed, in form or amount, the relief allowed by applicable law. The arbitrator shall have at least ten (10) years of experience in commercial litigation. The arbitrator shall issue his/her final award in a written and reasoned decision to be provided to each party to the arbitration. In his/her decision, the arbitrator shall award the prevailing party its reasonable attorneys' fees and expenses, as well as all arbitration fees, costs and expenses; provided, however, that neither Processor nor Bank shall be entitled to recover attorneys' fees or expenses in an arbitration brought by You if the amount of damages sought, exclusive of attorneys' fees and costs and arbitration fees and costs, is under \$25,000. The arbitrator shall not have the authority to award punitive, exemplary, consequential, special or incidental damages, including, without limitation, lost profits or lost business value.
- iii. For claims where You seek damages of \$25,000 or less, exclusive of attorneys' fees and costs and arbitration fees and costs, the arbitration shall be conducted in the city where You are located or You can elect to have the hearing take place telephonically. All other arbitrations shall be conducted in Chicago, Illinois, unless the parties to the arbitration mutually agree to a different location in writing. The arbitration shall be conducted by the

American Arbitration Association (“AAA”). The AAA’s Commercial Arbitration Rules (“Arbitration Rules”) shall apply. The Arbitration Rules are available at www.adr.org. A form for initiating arbitration is available at www.adr.org.

- iv. Any discovery sought in connection with arbitration must be expressly approved by the arbitrator only upon a showing of need by the party seeking discovery. All aspects of the arbitration shall be treated as confidential. The parties to the arbitration and the arbitrator may disclose the existence, content, or result of the arbitration only as expressly provided by the Arbitration Rules. The parties to the arbitration shall maintain the confidential nature of the arbitration proceeding and the award, including the hearing, except as may be necessary to prepare for or conduct the arbitration hearing on the merits, or except as may be necessary in connection with a judicial challenge to an award or its enforcement, or unless otherwise required by law or judicial decision. Accordingly, the parties to the arbitration acknowledge and agree that a violation or threatened violation of this nondisclosure covenant will cause irreparable injury to the other party and that, in addition to any other remedies that may be available, in law, in equity, or otherwise, the non-breaching Party shall be entitled to obtain injunctive relief against the threatened breach of this covenant or the continuation of any such breach by the other party.
- b. **FAA Governs.** This arbitration provision is entered into pursuant to the Federal Arbitration Act (“FAA”), which shall govern its interpretation and enforcement. To the extent any issues arise as to which the FAA does not apply or govern, this “Dispute Resolution” Section and all substantive claims shall be governed by and interpreted according to the laws of the State of Illinois, without regard to principles of conflicts of law. The arbitrator shall decide all issues of interpretation, scope, and application of this “Dispute Resolution” Section and the arbitration provision, with the exception of deciding whether the Arbitration Class Action Waiver in the Section below is valid or enforceable. Any question regarding the validity or enforceability of this “Dispute Resolution” Section shall be resolved by a state or federal court in Illinois, which You,

Payroc and DCS agree shall be the sole and exclusive jurisdiction for any such question to be resolved (and for which You, Bank and Processor consent to the Court’s jurisdiction and waive any right to challenge jurisdiction or venue). This “Dispute Resolution” Section shall survive termination of this Agreement. The agreement to arbitrate is intended to be broadly interpreted.

- c. **ARBITRATION CLASS ACTION WAIVER.** You, Payroc and DCS agree that arbitration shall proceed solely on an individual basis and that any Dispute shall not be arbitrated as a class action, shall not be consolidated with the claims of any other party, and shall not be arbitrated on a consolidated, representative, or private attorney general basis. The award or decision in the arbitration will not have any preclusive effect as to issues or claims involved in any proceeding between Processor any anyone who is not a named party to the arbitration. The arbitrator may award relief only in favor of the individual party seeking relief and only to the extent necessary to provide relief warranted by that party’s individual claim. The arbitrator’s award, if any, shall not apply to any person or entity that is not a party to the arbitration. Any questions regarding the enforceability of this Section shall be decided by a court and not the arbitrator. If any portion of this Section is deemed invalid or unenforceable, then the entire arbitration provision in this Section (other than this sentence and the Section below) shall be null and void and not apply. In no case shall an arbitration proceed on a class basis.
- d. **NON-ARBITRATION CLASS ACTION WAIVER.** If for any reason any Dispute proceeds in court rather than arbitration, the Dispute shall proceed solely on an individual, non-class, non-representative basis. In any Dispute that proceeds in court, neither You, Bank, nor Processor may be a class representative or class member or otherwise participate in any class, consolidated, representative, or private attorney general matter. If for any reason any Dispute proceeds in court rather than arbitration, You, Bank and Processor agree that the sole and exclusive jurisdiction shall be a state or federal court located in Chicago, Illinois (and You, Bank and Processor consent to the Court’s jurisdiction and waive any right to challenge jurisdiction or venue).
- e. **Invalid or Unenforceable.** If an arbitrator or court determines that any part of this “Dispute Resolution” Section, other than Section 19.A. above (regarding Mandatory Arbitration), is invalid or unenforceable, the other parts of this “Dispute Resolution” Section shall apply. Notwithstanding anything to the contrary in the

prior sentence, in all cases, the Section above (regarding Non-Arbitration Class Action Waiver) shall remain in effect, valid, and enforceable.

7. **Legal fees:** Should either party appeal an Arbitration award or any part of such award the court having jurisdiction shall award the “post arbitration award” legal Costs and Fees to the prevailing party, if any, as determined by the court. “Costs and fees” mean all reasonable pre-award expenses of the arbitration, including the arbitrators’ fees, administrative fees, travel expenses, out-of-pocket expenses such as copying and telephone, court costs, witness fees, and attorneys’ fees.
8. **Governing Law:** This agreement shall be governed by and interpreted in accordance with the laws of the State of Illinois. The Parties acknowledge that this agreement evidences a transaction involving interstate commerce. The United States Arbitration Act shall govern the interpretation, enforcement, and proceedings pursuant to the arbitration clause in this agreement. In the event an Arbitration ruling is appealed, venue shall be in the state or federal courts located in Cook County, Illinois.
9. **Survivability:** If any provision of this Agreement contravenes or is held invalid under the laws of any jurisdiction, this Agreement shall be construed as though it did not contain that provision, and the rights and liabilities of the parties to this Agreement shall be construed and enforced accordingly.
10. **Successors:** This Agreement shall be binding upon the successors and assigns of the parties.
11. **Entire Agreement:** This Agreement, together with exhibits thereto, constitutes the entire Agreement between the parties and correctly describes the parties’ mutual understanding of this Agreement. Any and all oral or written agreements, representations or understandings between the parties entered into or made prior to or made contemporaneously with the effective date of this Agreement have been incorporated into this Agreement or were revoked, released or terminated before the effective date of this Agreement. No modifications, deletions, additions or amendments to this Agreement shall be binding on DCS unless the same are reduced to writing and the writing is signed by DCS.
12. **Data Privacy:**

The Parties acknowledge that, during the Term of this Agreement, each party may provide the other with Confidential, as defined hereunder, including but not limited to data, information, ideas, materials, specifications, procedures, schedules, software, technical processes and formulas, source code, product designs, sales, cost and other unpublished financial information, product and business plans, advertising revenues, usage rates, advertising relationships, projections, marketing data or other

relevant information that is marked “confidential” (or similarly) or, if not so marked, is clearly intended to be confidential (collectively, the “Confidential Information”). No mobile opt-in or text message consent will be shared with third parties or affiliates for marketing purposes.

Each Party will protect all Confidential Information of the other with at least the same degree of care it uses to protect its own confidential information, but not less than a reasonable degree of care. Neither party may use, disclose, provide, or permit any person to obtain any Confidential Information in any form, except for employees, agents, or independent contractors whose access is required to carry out the purposes of this Agreement and who have agreed to be subject to the same restrictions as set forth in this Agreement. Violation of any provision of this Section is the basis for the immediate termination of this Agreement. Each party’s obligation to maintain confidentiality will survive termination of this Agreement.

The confidentiality obligations of this Section do not apply to any information received by a party that (i) is generally available to or previously known to the public, (ii) can be reasonably demonstrated as known to a party prior to the negotiations leading to this Agreement, (iii) is independently developed by a party outside the scope of this Agreement without use of or reference to the other party’s Confidential Information, or (iv) is lawfully disclosed pursuant to a court order, provided that the party subject to the order will promptly notify the party whose Confidential Information is to be disclosed, so that party may seek a protective or similar order.

Each party will monitor for any incidents involving the compromise of Confidential Information or NPI, as defined below (a “Breach”) and agrees to notify the other party as soon as possible of any such incident to enable that party to expeditiously implement its incident response program. Should any Breach occur, each party agrees that the non-breaching party has the right, in addition to such other remedies which may be available to it, to seek injunctive relief enjoining such use, disposition, attempted use or attempted disposition, it being acknowledged that legal remedies are inadequate to protect non-breaching party under such circumstances and that the unavailability of immediate injunctive relief would subject non-breaching party to irreparable harm.
